The Irish Times is a pillar of Irish society. Founded in 1859 as the paper of the Irish Protestant Middle Class, it now has a position in Irish political, social and cultural life which is incomparable. In fact this history of the Irish Times is also a history of the Irish people. Always independent in ownership and political view and never entwined in any way with the Roman Catholic Church, it has become the weather vane, the barometer of Irish life and society followed by people of all religious and political persuasions and none. The paper is politically liberal and progressive as well as being centre right on economic issues. This history is peopled by all the great figures of Irish history - Daniel O'Connell, W.B. Yeats, Garret FitzGerald, Conor Cruise O'Brien and the paper has numbered among its internationally renowned columnists Mary Holland, Fintan O'Toole, Nuala O'Faolain, John Waters and Kevin Myers . Its influence on Irish Society is beyond question. In his book, Terence Brown tells the story of the paper with narrative skill, wit and perception. Analysis of the stance of the Times during events ranging from The Easter Rising, The Civil War, the Troubles and the recent economic recession make the book essential reading for students of Irish history, be they the general reader, the academic or amateur historian. The book will be seen as crucial to our understanding of Irish history in the past century and a half.

Classic Books Library presents this brand new edition of " The Federalist Papers ", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. " The Federalist " , as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755 – 1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation ' s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

A maverick, unionist district in the heart of the Old South? A notorious county that seceded from the Confederacy? This is how Jones County, Mississippi, is known in myth and legend. Since 1864 the legend has persisted. Differing versions give the name of this new nation as Republic of Jones, Jones County Confederacy, and Free State of Jones. Over the years this story has captured the imaginations of journalists, historians, essayists, novelists, short story writers, and Hollywood filmmakers, although serious scholars long ago questioned the accuracy of local history accounts about a secessionist county led by Newt Knight and a band of renegades. Legend of the Free State of Jones was the first authoritative explanation of just what did happen in Jones County in 1864 to give rise to the legend and now to a major motion picture starring Matthew McConaughey. This book surveys the facts, the records, and the history of the "Free State of Jones" and may provide the whole story.

"London to Ladysmith via Pretoria" is a personal record of Winston Churchill's impressions during the first five months of the Second Boer War. It includes an account of the Relief of Ladysmith, and also the story of Churchill's capture and dramatic escape from the Boers. "Ian Hamilton's March" is a description of Churchill's experiences accompanying the British army during the Second Boer War, continuing after the events described in London to Ladysmith via Pretoria. Churchill had officially resigned from the British army in order to pursue a political career, but on hearing of the outbreak of war in South Africa between the British colonies and the free Boer states, immediately made arrangements to take part.
