Synergist DIANE Publishing

Creating transparency between government and citizens through outreach and engagement initiatives is critical to promoting community development and is also an essential part of a democratic society. This can be achieved through a number of methods including public policy, urban development, artistic endeavors, and digital platforms. Civic Engagement and Politics: Concepts, Methodologies, Tools, and Applications is a vital reference source that examines civic engagement practices in social, political, and non-political contexts. As the world is now undergoing a transformation, interdisciplinary collaboration, participation, community-based participatory research, partnerships, and co-creation have become more common than focused domains. Highlighting a range of topics such as social media and politics, civic activism, and public administration, this multi-volume book is geared toward government officials, leaders, practitioners, policymakers, academicians, and researchers interested in active citizen participation and politics.

As academic service-learning continues to grow rapidly, practitioners are discovering a pressing need for solid empirical research about learning outcomes. Where's the Learning in Service-Learning? helps define learning expectations, presents data about learning, and links program characteristics with learning outcomes. It is the first book to explore the experience of service-learning as a valid learning activity.

First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.  
Ageing in Asia-Pacific Routledge

In the coming decades, challenges and risks associated with rapid population ageing will be paramount in Asia-Pacific. Examining key trends, dilemmas and developments with reference to specific nations, the book draws conclusions and policy recommendations that apply to Asia-Pacific as a whole. Individual chapters focus on the impact of population ageing, along with urbanization and industrialization, on the lives of people in the region. The book shows how leaders in Asia-Pacific – political, community and others – need to respond to changes in family and social structures, disease pathology, gender roles, income security, the care of older citizens and the provision of social and health welfare.

Recent evaluations of home visiting are summarized and practical suggestions for evaluating local programs are also included. This is an easy to read and essential resource for both beginning and experienced home visitors, trainers, supervisors of home visitors, and directors of home visiting programs.

Code of Federal Regulations, Title 32, National Defense, Pt. 1-190, Revised as of July 1 2010 Delene Kvasnicka [www.survivalebooks.com](http://www.survivalebooks.com)

This volume addresses the key question of the intersection of sociology and politics, and asks what a non-Marxist cultural perspective can offer the Left. Written by leading scholars, it develops new conceptions of social critique, new techniques of interpretive analysis, and new concepts for the sociology of democratic practice. It is a volume for the twenty-first-century, where global and local meet, when critical theory must examine its most fundamental presuppositions.

Emergency Department Compliance Manual provides everything you need to stay in compliance with complex emergency department regulations, including such topics as legal compliance questions and answers--find the legal answers you need in seconds; Joint Commission survey questions and answers--get inside guidance from colleagues who have been there; hospital accreditation standard analysis--learn about the latest Joint Commission standards as they apply to the emergency department; and reference materials for emergency department compliance. The Manual offers practical tools that will help you and your department comply with emergency department-related laws, regulations, and accreditation standards. Because of the Joint Commission's hospital-wide, function-based approach to evaluating compliance, it's difficult to know specifically what's expected of you in the ED. Emergency Department Compliance Manual includes a concise grid outlining the most recent Joint Commission standards, which will help you understand your compliance responsibilities. Plus, Emergency Department Compliance Manual includes sample documentation and forms that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards. Previous Edition: Emergency Department Compliance Manual, 2018 Edition, ISBN: 9781454889427 ;

The Army Lawyer LexisNexis

What is virtual volunteering? It ' s work done by volunteers online, via computers, smartphones or other hand-held devices, and often from afar. More and more organizations around the world are engaging people who want to contribute their skills via the Internet. The service may be done virtually, but the volunteers are real! In The LAST Virtual Volunteering Guidebook, international volunteerism consultants Jayne Cravens and Susan J. Ellis emphasize that online service should be integrated into an organization ' s overall strategy for involving volunteers. They maintain that the basic principles of volunteer management should apply equally to volunteers working online or onsite. Whether you ' re tech-savvy or still a newbie in cyberspace, this book will show you how to lead online volunteers successfully by: -Overcoming resistance to online volunteer service and the myths surrounding it; -Designing virtual volunteering assignments, from micro-volunteering to long-term projects, from Web research to working directly with clients via the Internet; -Adding a virtual component to any volunteer ' s service; -Interviewing and screening online volunteers; -Managing risk and protecting confidentiality in online interactions; -Creating online communities for volunteers; -Offering orientation and training via Internet tools; -Recruiting new volunteers successfully through the Web and social media; and -Assuring accessibility and diversity among online volunteers. Cravens and Ellis fervently believe that future volunteer management practitioners will automatically incorporate online service into community engagement, making this book the last virtual volunteering guidebook that anyone has to write!
