[PPT - COMPARATIVE POLITICS PowerPoint presentation | free ...](#)

Comparative politics is a field in political science characterized either by the use of the comparative method or other empirical methods to explore politics within (as opposed to between) countries. Substantively, this can include questions relating to political institutions, political behavior, conflict, and the causes and consequences of economic development.

In my experience, *Comparative Government and Politics* is by far the best stand-alone text in this area. It is thorough and unlike the many other texts in the field, it focuses, in very interesting and engaging sections, primarily upon the dynamics of a broad range of comparative political phenomena as they apply to real-world politics.
