What Is Comparative Government;What Does It Do? – Notes Read

One of the best tips out there for AP® Comparative Government is to use the process of elimination to help you narrow down your answer choices. Look for answer choices that are true for other countries, but not the one listed in the question, as well as answer choices that define a theory, but not the one the question is asking you to answer.

These are country-specific AP Comparative Government practice questions covering the United Kingdom. Includes 30 multiple choice questions and 1 free response question. The answers are here .

Comparative public policy is an area of interdisciplinary study which uses public policy as its major unit of analysis for comparison across different systems and institutions, usually countries or governments. It typically asks questions about how, why, and to what effect different governments pursue different or similar policies.
