Daycare Floris Books

The services that involve the care of a child, from the age of six weeks to thirteen, is known as child day care. Babysitting is a temporary child care activity that requires the care for children at home. Commercial child care centers act as day cares and also provide basic education in reading, writing and arithmetic. In-house child care services are provided by professional nannies. This textbook unfolds the innovative aspects of child day care and babysitting, which will be crucial for the holistic understanding of the subject. It will serve as a valuable source of reference for those interested in this field.

The Practical Guide to Quality Child Care Random House

The English nanny is an institution. The image of the smartly uniformed, traditional nanny features in many books and films and there is something rather comforting about the idea of a 'no nonsense', nurturing and sensible childcare expert looking after your family. For over a century, Norland Nannies have cared for royal and celebrity families and are the best, most respected nannies in the world. Now their clear advice and straightforward methods - tried and tested on thousands of families - are brought together for the first time. Nanny in a Book is a practical companion to childcare that will help you with: * Setting up your nursery * Sleeping, weaning and potty training * Teaching your child good manners and behaviour * Nursing common ailments from sore tummies to measles * Organising a fabulous birthday party. Full of Nanny's top tips and personal stories, Nanny in a Book will become a trusted guide and a treasured companion - the next best thing to Mary Poppins herself sweeping in on the East wind and turning up on your doorstep.
