William Blake (1757 - 1827) is one of the great figures in literature, by turns poet, artist and visionary.

Profoundly libertarian in outlook, Blake's engagement with the issues of his day is well known and this - along with his own idiosyncratic concerns - flows through his poetry and art. Like Milton before him, the prodigality of his allusions and references is little short of astonishing. Consequently, his longer visionary poems can challenge the modern reader, who will find in this avowedly open edition all they might need to interpret the poetry. W. H. Stevenson's Blake is a masterpiece of scrupulous scholarship. It is, as the editor makes clear in his introduction, 'designed to be widely, and fluently, read' and this Third Edition incorporates many changes to further that aim. Many of the headnotes have been rewritten and the footnotes updated. The full texts of the early prose tracts, All Religions are One and There is no Natural Religion, are included for the first time. In many instances, Blake's capitalisation has been restored, better to convey the expressive individuality of his writing. In addition, a full colour plate section contains a representation of Blake's most significant paintings and designs. As the 250th anniversary of his birth approaches, Blake has perhaps more readers than ever before; Blake: The Complete Poems will stand those readers, new and old, in good stead for many years to come.

These poems exhibit all the extraordinary lyricism, playfulness, technical ingenuity, and compassion for which cummings is famous. E. E. Cummings's erotic poems and drawings gathered in a single volume. Many years ago the prodigious and famously prolific E. E. Cummings sat in his study writing and thinking about sex. His private brooding gave way to poems and drawings of sexual and romantic love that delight and provoke. Here, collected for this first time in a single volume, are those erotic poems and sketches, culled from Cummings's original manuscripts by the distinguished editor George James Firmage. from "16" may i feel said he (i'll squeal said she just once said he) it's fun said she (may i touch said he how much said she a lot said he) why not said she

With a new introduction by Pulitzer Prize-winning poet Stephen Dunn, this redesigned and fully reset edition of Complete Poems collects and presents all the poems published or designated for publication by E. E. Cummings in his lifetime. It spans his earliest creations, his vivacious linguistic acrobatics, and through his last valedictory sonnets. Combining Thoreau's controlled belligerence with the brash abandon of an uninhibited Bohemian, Cummings, together with Pound, Eliot, and William Carlos Williams, helped bring about the twentieth-century revolution in literary expression. Today Cummings is recognized as the author of some of the most sensuous lyric poems in the English language as well as one of the most inventive American poets of his time—in the words of Richard Kostelanetz, "the major American poet of the middle-twentieth century." Formally fractured and yet gleefully alive and whole, at once cubistic and figurative, Cummings's work expanded the boundaries of what language is and can do.

Cities of Saviors is a short study of the urban spaces of E. E. Cummings' poetry and Peter Ackroyd's seminal novel, *Hawksmoor*. Although at first sight a comparison of these two authors might seem surprising, the analysis offered by this new book shows that such a reading can be revelatory for the understanding of both authors. Relying on close readings informed by the spatial theories of Mircea Eliade, Michel Foucault and Gaston Bachelard, it sheds light on a common understanding of space: one that is immersed in a dark sacrality. By doing so, it also radically reinterprets the oeuvre of both authors, in that it positions Cummings away from the accepted image of the neo-Romantic poet of transcendence and situates Ackroyd in the continuing tradition of (late) Modernism.

MAY I FEEL SAID HE is the third installment in Welcome's Art and Poetry Series, which celebrates the passions of life through unique pairings of words and art. Not intended for the immature, Cummings's poem is a sensually ecstatic tribute to love and the often humorous mating rituals of men and women. When coupled with Chagall's dreamlike images of floating lovers, circus performers, and mythical animals, this erotically charged ode achieves a visual and physical dimension that reinforces its underlying themes of expression, joy, and fulfillment.

What do four little girls discover when they spend an afternoon by the sea? Maggie, a shell; Milly, a star; Molly, a "horrible thing"; and May, a smooth round stone. This seemingly simple story by American poet Edward Estlin Cummings (1894 1962), showcasing his signature quirky style, is delightful as well as profound. Readers will enjoy the day at the beach for its innate pleasures, but on contemplation may realize that objects encountered by the girls reflect parts of themselves. Marcia Perry's bright, engaging illustrations enhance the poem with her playful and introspective portraits of the characters; her beach setting sings with the ocean tide and the seagulls' squawks.
