records, trial transcripts, newspaper articles, speeches, letters, diary entries, and poems—by more than seventy-five participants and observers, including the assassin John Wilkes Booth and Boston Corbett, the soldier who shot him. Courtroom testimony exposes the intricacies of the plot to kill the president; eulogies by Ralph Waldo

Emerson, Wendell Phillips, and Benjamin Disraeli and poetry by Walt Whitman, Herman Melville and Julia Ward Howe give eloquent voice to grief; two emotional speeches by Frederick Douglass—one of them never before published—reveal his evolving perspective on Lincoln’s legacy. Together these voices combine to reveal the full panorama of one the most shocking and

tragic events in our history.

A New York Times Bestseller, chosen as Oprah's "Books That Help Me Through" for Oprah's Book Club “No matter where one starts reading, Devotions offers much to love, from Oliver's exuberant dog poems to selections from the Pulitzer Prize-winning American Primitive, and Dream Work, one of her exceptional collections. Perhaps more important, the luminous writing provides respite from our crazy world and demonstrates how mindfulness can define and

---

transform a life, moment by moment, poem by poem.” —The Washington Post “It’s as if the poet herself has sidled beside the reader and pointed us to the poems she considers most worthy of deep consideration.” —Chicago Tribune Pulitzer Prize-winning poet Mary Oliver presents a personal selection of her best work in this definitive collection spanning more than five decades of her esteemed literary career. Throughout her celebrated career, Mary Oliver has touched countless readers with her brilliantly crafted verse, expounding on her love for the physical world and the powerful bonds between all

living things. Identified as “far and away, this country’s best selling poet” by Dwight Garner, she now returns with a stunning and definitive collection of her writing from the last fifty years. Carefully curated, these 200 plus poems feature Oliver’s work from her very first book of poetry, *No Voyage and Other Poems*, published in 1963 at the age of 28, through her most recent collection, *Felicity*, published in 2015. This timeless volume, arranged by Oliver herself, showcases the beloved poet at her edifying best. Within these pages, she provides us with an extraordinary and invaluable collection of her passionate,

perceptive, and much-treasured observations of the natural world.

Jingle Poems Houghton Mifflin Harcourt

This significantly expanded edition of W. H. Auden's Selected Poems adds twenty poems to the hundred in the original edition, broadening its focus to better reflect the enormous wealth of form, rhetoric, tone, and content in Auden's work. Newly included are such favorites as "Funeral Blues" and other works that represent Auden's lighter, comic side, giving a fuller picture of the range of his genius. Also new are brief notes explaining references that may have become obscure to younger generations of

readers and a revised introduction that draws on recent additions to knowledge about Auden. As in the original edition, the new Selected Poems makes available the preferred original versions of some thirty poems that Auden revised later in life, making it the best source for enjoying the many facets of Auden's art in one volume.

Orsinian Tales Simon & Schuster Books For Young Readers

Borges once stated that he had never created a character: 'It's always me, subtly disguised'. This book focuses on the ways in which Borges uses events and experiences from his own

life, in order to demonstrate how they become the principal structuring motifs of his work. It aims to show how these experiences, despite being 'heavily disguised', are crucial components of some of Borges's most canonical short stories, particularly from the famous collections *Ficciones* and *El Aleph*. Exploring the rich tapestry of symmetries, doubles and allusions and the roles played by translation and the figure of the creator, the book provides new readings of these stories, revealing their hidden personal, emotional and spiritual dimensions. These

---

insights shed fresh light on Borges's supreme literary craftsmanship and the intimate puzzles of his fictions.

The Poetry of Robert Frost  
Good Year Books

A landmark definitive edition of one of our most innovative and beloved poets The landmark oeuvre of Marianne Moore, one of the major inventors of poetic modernism, has had no straight path from beginning to end; until now, there has been no good

vantage point from which to see the body of her remarkable work as a whole. Throughout her life Moore arranged and rearranged, visited and revisited, a large majority of her existing poetry, always adding new work interspersed among revised poems. This makes sorting out the complex textual history that she left behind a pressing task if we mean to represent her work as a poet in a way that gives us a complete picture. New Collected Poems offers an answer to the question of how to represent the work of a poet so skillful and singular, giving a portrait of the range of

---

her voice and of the modernist culture she helped create. William Carlos Williams, remarking on the impeccable precision of Moore ' s poems, praised " the aesthetic pleasure engendered when pure craftsmanship joins hard surfaces skillfully. " It is only in *New Collected Poems* that we can understand her later achievements, see how she refashioned her earlier work, and get a more complete understanding of her consummate craftsmanship, innovation, and attention to detail. Presented and collected by Heather Cass White, the

foremost scholar of Moore ' s work, this new collection at last allows readers to experience the untamed force of these dazzling poems as the author first envisioned them.

All of Jane Kenyon's published poems gathered in one definitive collection, now in paperback Yes, long shadows go out from the bales; and yes, the soul must part from the body: what else could it do? —from "Twilight: After Haying" Jane Kenyon is one of America's most prized contemporary poets. Her

previous collection, *Otherwise: New and Selected Poems*, published just after her death in 1995, has been a favorite among readers, with more than 80,000 copies in print, and is a contemporary classic. *Collected Poems* assembles all of Kenyon's published poetry in one book. Included here are the complete poems found in her four previous volumes—*From Room to Room*, *The Boat of Quiet Hours*, *Let Evening Come*, and *Constance*—as well as the poems that appear in her posthumous volumes *Otherwise* and *A Hundred White Daffodils*, four poems never

National Geographic Books  
*John Burt 's Selected Poems of Robert Penn Warren* is more broadly representative of Warren 's poetry than any previous selected gathering. More than two hundred poems from every phase grace the volume, a vehicle ideal for sampling—or soaking in—the finest of Warren 's rich output. With each poem, Burt has carefully located the version that constitutes Warren 's final revision. His introduction gives an eloquent overview of the poet 's career, touching on every published book of verse and highlighting significant lines. A “selected” collection in the truest sense, featuring several

previously unpublished pieces, this treasure is at once new and familiar. At the heart of Warren 's poetry is a celebration of man 's intellect and imagination, his integral place within nature, and his relationship to time and the past; ultimately, joy coexists with the knowledge of life 's many mysteries, including its tragedies. *Selected Poems*, a generous survey and a convenient compendium, is the shining portal to this greatly gifted poet. *Emily Dickinson 's Poems* Center Street Gathers poems from each period of Hilda Doolittle's career and includes background information on

An introduction by the editors traces Rukeyser's life and literary reputation and complements discerning annotations and textual notes to the poems.

Edgar Allan Poe: Poetry, Tales, and Selected Essays

Macmillan  
To commemorate the centennial of W. H. Auden ' s birth, the Modern Library offers this elegant edition of the collected poems of one of the greatest poets of the twentieth century. This volume includes all the poems that Auden wished to preserve, in a text that includes his final revisions, with corrections based on the latest research. Auden divided his poems into sections that corresponded to what he referred to as chapters in his

life, each one beginning with a change in his inner life or external circumstances: the moment in 1933 when he first knew “ exactly what it means to love one ' s neighbor as oneself ” ; his move from Britain to America in 1939; his first summer in Italy in 1948; his move to a summerhouse in Austria in 1958; and his return to England in 1972. Auden ' s work has perhaps the widest range and the greatest depth of any English poet of the past three centuries. From the anxious

---

warnings of his early verse through the expansive historical perspectives of his middle years to the celebrations and thanksgiving in his later work, Auden wrote in a voice that addressed readers personally rather than as part of a collective audience. His styles and forms extend from ballads and songs to haiku and limericks to sonnets, sestinas, prose poems, and dozens of other constructions of his own invention. His tone ranges from spirited comedy to memorable

profundity – often within the same work. His poems manage to be secular and sacred, philosophical and erotic, personal and universal. “ All the poems I have written were written for love, ” Auden once said. This book includes his famous early poems about transient love ( “ Lay your sleeping head, my love, ” “ Stop all the clocks, cut off the telephone ” ) and his later poems about enduring love ( “ In Sickness and in Health, ” “ First Things First ” ). The book also

includes Auden ’ s longer, more thematically varied poems, from the expressionist charade “ Paid on Both Sides ” to the formal couplets of “ New Year Letter ” ; the darkly comic sequel to *The Tempest*, “ The Sea and the Mirror ” ; and a baroque eclogue set in a wartime bar, “ The Age of Anxiety. ” This new edition includes a critical appreciation of Auden by Edward Mendelson, the editor of the present volume and Auden ’ s literary executor. “ W. H. Auden

had the greatest gifts of any of our poets in the twentieth century, the greatest lap full of seed. ” – James Fenton, *The New York Review of Books* “ At the beginning of the new century, [Auden] is an indispensable poet. Even people who don ’ t read poems often turn to poetry at moments when it matters, and Auden matters now. ” – Adam Gopnik, *The New Yorker*

poetry in the English language with a new face. Or rather, with several faces, since his work ranged from the political to the religious, from the urbane to the pastoral, from the mandarin to the invigoratingly plain-spoken. This collection presents all the poems Auden wished to preserve, in the texts that received his final approval. It includes the full contents of his previous collected editions along with all the later volumes of his shorter poems. Together, these works display the astonishing range of Auden's voice and the breadth of his concerns, his deep knowledge of the traditions he inherited, and his ability to recast those traditions in modern times.
