**Review - Complicit  
by Nicci French -  
Euro Crime**

In Nicci French's *The Other Side of the Door*, this chilling novel of suspense will leave you breathless in every turned page. It all started for Bonnie Graham, a high school music teacher, who discovered a dead body at the other side of her friend's flat's door.

Nicci French is the pseudonym for the writing partnership of journalists Nicci Gerrard and Sean French. The couple are married and live in Suffolk. There are twenty bestselling novels by Nicci

French, published in thirty-one languages. *Blue Monday* was the first thrilling story in the Frieda Klein series, which concludes with *Day of the Dead*.
