Tuck Everlasting Leveled Comprehension Questions John Wiley & Sons
NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. "In English my name means hope," she says. "In Spanish it means too many letters. It means sadness, it means waiting." Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros's masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis's *Main Street* or Toni Morrison's *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one's story and of being proud of where you're from.

Also a great way to introduce the works of William Shakespeare!

Nonfiction Comprehension Test Practice: Level 4 Teacher Created Materials

On October 29, 1929, life in the United States took a turn for the worst. The stock market – the system that controls money in America – plunged to a record low. But

this event was only the beginning of many bad years to come. By the early 1930s, one out of three people was not working. People lost their jobs, their houses, or both and ended up in shantytowns called "Hoovervilles" named for the president at the time of the crash. By 1933, many banks had gone under. Though the U.S. has seen other times of struggle, the Great Depression remains one of the hardest and most widespread tragedies in American history. Now it is represented clearly and with 80 illustrations in our What Was...? series.
