How to Set Manual Reservation Mode Compustar Remote Start Systems

Compustar remote starters simulate the clutch pedal to remotely start the engine. When installing a Compustar remote starter on a manual-transmission vehicle, an additional clutch bypass connection is required. This connection simulates the electronic signal produced by the clutch pedal, normally a ground signal sent to the vehicle 's ignition system.

### How Much Does a Remote Starter Cost? | Compustar

If you own a Compustar remote starter (Viper & Autostart follow same procedure) and your vehicle is manual transmission, you MUST set reservation mode when leaving (parking) the vehicle, in order to remote

start it safely.
