Diary of the adolescent Jewish girl who ultimately perished in the Nazi death camps.

Children at War and the Supportive Role of Diaries. The Case of "Zlata's Diary. A Child's Life in Sarajevo" Indiana University Press

Examines Levin's claims that the stage adaptation of Anne Frank's diary rejected a Jewish treatment of the work in favour of a play with a

universal message. The text establishes the bias of the opposition to Levin and places the issue in the context of the wider cultural struggle of the 1950s.

The Diary of Anne Frank University of Illinois Press

"This volume of essays was developed from ... a colloquium convened in 2005 by the Working Group on Jews, Media, and Religion of the Center for Religion and Media at New York University" --Intr.

What We Talk About When We Talk About Love Rodopi

The Diary of a Young Girl Anchor
And the Wolves Howled Scholastic Inc.

A seminal work and examination of the psychopathology of journalism. Using a strange and unprecedented lawsuit by a convicted murder against the journalist who wrote a book about his crime, Malcolm delves into the always uneasy, sometimes tragic relationship that exists between journalist

and subject. Featuring the real-life lawsuit of Jeffrey MacDonald, a convicted murderer, against Joe McGinniss, the author of *Fatal Vision*. In Malcolm's view, neither journalist nor subject can avoid the moral impasse that is built into the journalistic situation. When the text first appeared, as a two-part article in *The New Yorker*, its thesis seemed so radical and its irony so pitiless that journalists across the country reacted as if stung. Her book is a work of journalism as well as an essay on journalism: it at once exemplifies and dissects its subject. In her interviews with the leading and subsidiary characters in the MacDonald-McGinniss case -- the principals, their lawyers, the members of the jury, and the various persons who testified as expert witnesses at the trial -- Malcolm is always aware of herself as a player in a game that, as she points out, she cannot lose. The journalist-subject encounter has always troubled journalists, but never before has it been looked at so unflinchingly and so ruefully. Hovering over the narrative -- and always on the edge of the reader's consciousness -- is the MacDonald murder case itself, which imparts to the book an atmosphere of anxiety and uncanniness. *The Journalist and the Murderer* derives from and reflects many of the dominant intellectual concerns of our time, and it will have a particular appeal for those who cherish the odd, the off-center, and the unsolved.

The Betrayal of Anne Frank Crown

On Diary is the second collection in English of the groundbreaking and profoundly influential work of one of the best-known and provocative theorists of autobiography and diary. Ranging from the diary's historical origins to its pervasive presence on the Internet, from the spiritual journey of the sixteenth century to the diary of Anne Frank, and from the materials and methods of diary writing to the question of how diaries end, these essays display Philippe Lejeune's expertise, eloquence, passion, and humor as a

commentator on the functions, practices, and significance of keeping or reading a diary. Lejeune is a leading European critic and theorist of diary and autobiography. His landmark essay, "The Autobiographical Pact," has shaped life writing studies for more than thirty years, and his many books and essays have repeatedly opened up new vistas for scholarship. As Michael Riffaterre notes, "Lejeune's work on autobiography is the most original, powerful, effective approach to a difficult subject. . . . His style is very personal, lively. It grabs the reader as scholarship rarely does. Lejeune's erudition and methodology are impeccable." Two substantial introductory essays by Jeremy Popkin and Julie Rak place Lejeune's work within its critical and theoretical traditions and comment on his central importance within the fields of life writing, literary genetic studies, and cultural studies.

The Giver The Diary of a Young Girl

For the millions moved by Anne Frank: *The Diary of a Young Girl*, here at last is Miep Geis's own astonishing story. For more than two years, Miep Gies and her husband helped hide the Franks from the Nazis. Like thousands of unsung heroes of the Holocaust, they risked their lives each day to bring food, news, and emotional support to the victims. She found the diary and brought the world a message of love and hope. It seems as if we are never far from Miep's thoughts.... Yours, Anne From her own remarkable childhood as a World War I refugee to the moment she places a small, red-orange, checkered diary -- Anne's legacy -- in Otto Frank's hands, Miep Gies remembers her days with simple honesty and shattering clarity. Each page rings with courage and heartbreaking beauty.

Anne Frank Remembered Yale University Press

The compelling diary of a young girl on the brink of maturity as her life draws to toward its tragic end -- one of the most moving and vivid documents of the Jewish experience.

Wonder IAP

In this controversial and provocative book, Mary Anne Franks examines the thin line between constitutional fidelity and constitutional fundamentalism. The *Cult of the Constitution* reveals how deep fundamentalist strains in both conservative and liberal American thought keep the Constitution in the service of white male supremacy. Constitutional fundamentalists read the Constitution selectively and self-servingly. Fundamentalist interpretations of the Constitution elevate certain constitutional rights above all others, benefit the most powerful members of society, and undermine the integrity of the document as a whole. The conservative fetish for the Second Amendment (enforced by groups such as the NRA) provides an obvious example of constitutional fundamentalism; the liberal fetish for the First Amendment (enforced by groups such as the ACLU) is less obvious but no less influential. Economic and civil libertarianism have increasingly merged to produce a deregulatory, "free-market" approach to constitutional rights that achieves fullest expression in the idealization of the Internet. The worship of guns, speech, and the Internet in the name of the Constitution has blurred the boundaries between conduct and speech and between veneration and violence. But the Constitution itself contains the antidote to fundamentalism. The *Cult of the Constitution* lays bare the dark, antidemocratic consequences of constitutional fundamentalism and urges readers to take the Constitution seriously, not selectively.

Auggie Pullman, who was born with extreme facial abnormalities, goes from

being home-schooled to entering fifth grade at a private middle school in Manhattan, which entails enduring the taunting and fear of his classmates.

Contemporary Approaches to Adaptation in Theatre CLAIRVIEW BOOKS

In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film *Birdman*, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and companionship, and finding one's way through the dark.

Dramatists Play Service Inc

This book examines contemporary approaches to adaptation in theatre through seventeen international case studies. It explores company and directorial approaches to adaptation through analysis of the work of Kneehigh, Mabou Mines, Robert Le Page and Katie Mitchell. It then moves on to look at the transformation of the novel onto the stage in the work of Mitchell, and in *The Red Badge of Courage*, *The Kite Runner*, *Anne Frank*, and *Fanny Hill*. Next, it examines contemporary radical adaptations of *Trojan Women* and *The Iliad*. Finally, it looks at five different approaches to postmodern metatheatrical adaptation in early modern texts of *Hamlet*, *The Changeling*, and *Faustus*, as well as the work of the Neo-Futurists, and the mash-up *Medea/Macbeth/Cinderella*. Overall, this comprehensive study offers insights into key productions, ideas about approaches to adaptation, and current debates on fidelity, postmodernism and remediation.

Anne Frank's *Diary*--a Hoax Doubleday Books

#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had

intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

The Fault in Our Stars Infobase Publishing

"Lawrence Graver's book is a precise and generous account of dreadful obsession, in which deep issues are reduced by paranoia into misery all around--and work for many lawyers. It's sad, true to my knowledge of Meyer Levin and others enmeshed in the history--infinitely sad."--Herbert Gold, author of *Fathers* "Beautifully and poignantly told, this story holds a mirror up to American Jewry's own coming to terms with the Holocaust. It is by turns captivating and heartbreaking, the story of both Levin's obsession and his search for Jewish and American identity after the Holocaust. In this literary history, Lawrence Graver also reanimates the diary itself, returning it to the time and place from which it

was torn fifty years ago."--James Young, author of *Writing and Re-writing the Holocaust* and *The Texture of Memory* "A gripping account, easy to read in one or two sittings, hard to put down. The balance between sympathy for Levin and criticism of his mounting obsession is exquisitely established and beautifully maintained, culminating in remarkable insight."--Morris Dickstein, author of *Gates of Eden* "Beyond Anne Frank is so beautiful and thoughtfully written that I really couldn't put it down. Diane Wolf's voice is human and humanistic, without glossing over any painful realities. She probes the subject from an impressive array of angles, considering a wide variety of types of experiences. This book is extraordinarily fine and I enthusiastically recommend it."--Lynn Davidman, author of *Motherloss*

Anne Frank Novel Units, Incorporated

"In these tales the reader can observe Anne's writing prowess grow from that of a young girl's into the observations of a perceptive, edgy, witty and compassionate woman"--Jacket flaps.

Anne Frank's Tales from the Secret Annex Stanford University Press

Hanna is a talented pianist. When the Budapest Jews are rounded up and sent to Auschwitz, Hanna and her mother and sister are separated from her father. Her mother becomes increasingly mentally ill until she too is taken away somewhere. Her sister Erika is slowly starving to death. Presented with the opportunity to play piano for the camp commander, Hanna is desperate to be chosen. Before she knows it she has fallen in love with the wrong boy.

The Memory Police Vintage

A concise, readable volume of the articles and memoirs most relevant for understanding the life, death, and legacy of Anne Frank.

The Diary of Anne Frank Springer

Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A

New York Times Notable Book of the Year A Wall Street Journal, Chicago Public Library, Publishers Weekly, and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.

Born Survivors McFarland

In this book from the critically acclaimed Little People, BIG

DREAMS series, discover the life of Anne Frank, the writer whose diary captured the hearts of the public. Anne Frank was born in Germany to a loving family. But when World War II broke out, Anne and her family had to hide in a secret annex in Amsterdam. Here, Anne wrote her famous diary, describing her belief in people's goodness and her hopes for peace. After the war, her diary captured the hearts of the public and she became one of the most important diarists of the 20th century. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of Anne's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

People Love Dead Jews: Reports from a Haunted Present IAP

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this

remarkable and talented young author. *Tales from the Secret Annex* is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's *Tales from the Secret Annex* is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.
