Speak Truth to Power Addison Wesley Publishing Company Students of Introductory Spanish learn best when they are connecting—with authentic culture, with each other as a community, and with the language as used in real-world settings. *Conéctate* sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The *Conéctate* program's distinctive approach is built around the following principles. Focused approach: *Conéctate* concentrates on what Introductory Spanish students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, *Conéctate*'s reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in *Conéctate*. Active learning: *Conéctate* gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in *Conéctate* are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role in an immersive online game, *Practice Spanish*:

Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout *Conéctate*. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand, and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. *Conéctate*'s stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available in the Connect Spanish platform with *Conéctate* also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peerediting, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

A year of discoveries culminates in a performance full of surprises, as two girls find their own way to belong. Mexico may be her parents ' home, but it ' s certainly not Margie ' s. She has finally convinced the other kids at school she is one-hundred percent American—just like them. But when her Mexican cousin Lupe visits, the image she ' s created for herself crumbles. Things aren ' t easy for Lupe, either. Mexico hadn ' t felt like home since her father went North to find work. Lupe ' s hope of seeing him in the United States comforts her some, but learning a new language in a new school is tough. Lupe, as much as Margie, is in need of a friend. Little by little, the girls ' individual steps find the rhythm of one shared dance, and they learn what " home " really means.
