In this timely tale of immigration, two cousins learn the importance of family and friendship. A year of discoveries culminates in a performance full of surprises, as two girls find their own way to belong. Mexico may be her parents' home, but it's certainly not Margie's. She has finally convinced the other kids at school she is one-hundred percent American—just like them. But when her Mexican cousin Lupe visits, the image she's created for herself crumbles. Things aren't easy for Lupe, either. Mexico hadn't felt like home since her father went North to find work. Lupe's hope of seeing him in the United States comforts her some, but learning a new language in a new school is tough. Lupe, as much as Margie, is in need of a friend. Little by little, the girls' individual steps find the rhythm of one shared dance, and they learn what "home" really means. In the tradition of *My Name is Maria Isabel*—and simultaneously published in English and in Spanish—Alma Flor Ada and her son Gabriel M. Zubizarreta offer an honest story of family, friendship, and the classic immigrant experience: becoming part of something new, while straying true to who you are.

*First Day Jitters* McGraw-Hill/Glencoe

In a distant corner of the globe, a man journeys to the birthplace of his mother, a tourist town destroyed by an industrial spill. In a nameless remote tribe, the chief's second son is born, creating a scramble for succession as their jungles are being destroyed by loggers. In one of the world's sprawling metropolises, a homeless one-armed woman sets out to take revenge upon the men who trafficked her. And, in a small village of shanty shacks connected only by a mud-and-concrete road, a milkmaid watches the girls she calls friends destroy her reputation. In we of the forsaken world... Kiran Bhat tells the stories of four worlds falling apart, through the structure of four linguistic chains, comprised of the accounts of four people witnessing the decline of these worlds, in four acts. Like modern communication networks, these sixteen stories connect along subtle lines, dispersing at the moments where another story is about to take place. They flow together and disconnect. Each story is a parable of its own, into the mind of a distinct human being. These are the tales of not just sixteen strangers, but many different lives, who live on this planet, at every second, everywhere.

Now a Netflix original series! The graphic novel *The A.V. Club* named a "modern masterpiece," *Locke & Key* tells a sprawling tale of magic and family, legacy and grief, good and evil. Acclaimed suspense novelist and New York Times bestselling author Joe Hill (*The Fireman*, *Heart-Shaped Box*) has created a gripping story of dark fantasy and wonder—with astounding artwork from Gabriel Rodriguez—that, like the doors of *Keyhouse*, will transform all who open it. The epic begins here: Welcome to Lovecraft. Following their father's gruesome

murder in a violent home invasion, the Locke children return to his childhood home of *Keyhouse* in secluded Lovecraft, Massachusetts. Their mother, Nina, is too trapped in her grief—and a wine bottle—to notice that all in *Keyhouse* is not what it seems: too many locked doors, too many unanswered questions. Older kids Tyler and Kinsey aren't much better. But not youngest son Bode, who quickly finds a new friend living in an empty well and a new toy, a key, that offers hours of spirited entertainment. But again, all at *Keyhouse* is not what it seems, and not all doors are meant to be opened. Soon, horrors old and new, real and imagined, will come ravaging after the Lockes and the secrets their family holds. *Locke & Key*, Vol. 1 features an introduction by Robert Crais, author of the bestselling Elvis Cole series of crime novels.

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.
