" 'Swallow,
daughter,
pull them
in, those
words that
sit upon
your lips.
Lock them
deep inside

your soul,
hide them
'til they've
time to
grow. Close
your mouth
upon the
power, curse
not, cure
not, 'til
the hour.
You won't
speak and
you won't
tell, you
won't call
on heaven or
hell. You
will learn
and you will
thrive.

Silence,
daughter.
Stay alive.'
The day my
mother was
killed, she
told my
father I
wouldn't
speak again,
and she told
him if I
died, he
would die
too. Then
she
predicted
the king
would trade
his soul and
lose his son

to the sky. My father has a claim to the throne, and he is waiting in the shadows for all of my mother's words to come to pass. He wants desperately to be king, and I just want to be free. But freedom will require escape, and I'm a prisoner of my mother's curse and my father's greed. I

can't speak or make a sound, and I can't wield a sword or beguile a king. In a land purged of enchantment, love might be the only magic left, and who could ever love ... a bird?"--Back cover.

The Death of Mungo Blackwell Harvard Common Press Destined to be a classic, Sweeping Up Glass is a tough and

tender novel of love, race, and justice, and a ferocious, unflinching look at the power of family. Olivia Harker Cross owns a strip of mountain in Pope County, Kentucky, a land where whites and blacks eke out a living in separate, tattered kingdoms and where silver-faced wolves howl in the night. But someone is killing the wolves of Big Foley Mountain – and

Olivia is beginning to realize how much of her own bitter history she's never understood: Her mother's madness, building toward a fiery crescendo. Her daughter's flight to California, leaving her to raise Will's, her beloved grandson. And most of all, her town's fear, for Olivia has real and dangerous enemies. Now this proud, lonely woman will face her mother and daughter, her neighbors and the wolf hunters of Big Foley Mountain. And when she does, she'll ignite a conflict that will embroil an entire community – and change her own life in the most astonishing of ways. *The Bird and the Sword* Lion Fiction

surprised to discover a raging controversy. A civil war was being fought between the Napa Valley, which epitomized elitism, prestige and wealthy excess, and the neighboring Sonoma Valley, a rag-tag bohemian enclave so stubbornly backward that rambunctious chickens wandered freely through town. But the antics really began when new-money invaders began pushing out Sonoma's poets and painters to make way for

luxury resorts and trophy houses that seemed a parody of opulence. A Tale of Two Valleys captures these stranger-than-fiction locales with the wit of a Tom Wolfe novel and uncorks the hilarious absurdities of life among the wine world's glitterati. Deutschman found that on the weekends the wine country was like a bunch of gracious hosts smiling upon their guests, but during the week the families feuded with each other and their neighbors like the Hatfields and McCoys. Napa was a comically exclusive club where the super-rich fought desperately to get in. Sonoma's colorful free spirits and iconoclasts were wary of their bohemia becoming the next playground for the rapacious elite. So, led by a former taxicab driver and wine-grape picker, a cheese merchant, and an artist who lived in a barn surrounded by wild peacocks, they formed a populist revolt to seize power and repel the rich invaders. Deutschman's cast of characters brims with eccentrics, egomaniacs, and a mysterious man in black who crashed the elegant Napa Valley Wine Auction before proceeding to pay a half-million dollars for a single bottle. What develops is nothing less than a battle for the good life, a clash between old and new, the struggle for the soul of one of America's last bits of paradise. A dishy glimpse behind the scenes of a West Coast wonderland, A Tale of Two Valleys makes for intoxicating reading.

The Death and Life of Charlie St. Cloud tells the haunting story of a young man who narrowly survives a terrible car wreck that kills his little brother. Years later, the brothers' bond remains so strong that it transcends the normal boundaries separating life and death. Charlie St. Cloud lives in a snug

New England fishing village. By day he tends the lawns and monuments of the ancient cemetery where his younger brother, Sam, is buried. Graced with an extraordinary gift after surviving the accident, he can still see, talk, and even play catch with Sam's spirit. But townsfolk whisper that Charlie has never recovered from his loss. Into his carefully ordered life comes Tess Carroll, a captivating, adventuresome woman training for a solo sailing trip around the globe. Fate steers her boat into a treacherous storm that blows her back to harbor, to a charged encounter with Charlie, and to a surprise more overwhelming than

the violent sea itself. Charlie and Tess discover a beautiful and uncommon connection that leads to a race against time and a desperate choice between death and life, between the past and the future, between holding on and letting go. Luminous, soulful, and filled with unforgettable characters, *The Death and Life of Charlie St. Cloud* is one of those rare, wise books that reveal the mysteries of the unseen world around us, gently transforming the worst pain of loss into hope, healing, and even laughter. Suspenseful and deeply moving, its startling climax reminds us that sometimes tragedies can bring about miracles if we simply

open our hearts.

The Night Sister

Grand Central Publishing

“The most brilliant Austen-adjacent book on the market. . . . Flynn’s style makes this a quick, fun read, and since the story is Jane-related there’s even a romantic subplot.” —Vulture “What lover of literature hasn’t dreamed of going back in time to meet Jane

Austen? Kathleen A. Flynn brings this dream to life, creating a vivid portrait of Regency England in all its glory and squalor.” —Lauren Belfer, author of *After the Fire* and *A Fierce Radiance* Perfect for fans of Jane Austen, this engrossing novel offers an unusual twist on the legacy of one of the world’s most celebrated and beloved authors: two researchers from the future are sent back in time to meet Jane and recover a suspected unpublished novel. London, 1815: Two travelers—Rachel Katzman and Liam Finucane—arrive in a field in rural England, disheveled

and weighed down with hidden money. Turned away at a nearby inn, they are forced to travel by coach all night to London. They are not what they seem, but rather colleagues who have come back in time from a technologically advanced future, posing as wealthy West Indies planters—a doctor and his spinster sister. While Rachel and Liam aren’t the first team from the future to “go back,” their mission is by far the most audacious: meet, befriend, and steal from Jane Austen herself. Carefully selected and rigorously

trained by The Royal Institute for Special Topics in Physics, disaster-relief doctor Rachel and actor-turned-scholar Liam have little in common besides the extraordinary circumstances they find themselves in. Circumstances that call for Rachel to stifle her independent nature and let Liam take the lead as they infiltrate Austen's circle via her favorite brother, Henry. But diagnosing Jane's fatal illness and obtaining an unpublished novel hinted at in her letters pose enough of a challenge without the

continuous convolutions of living a lie. While her friendship with Jane deepens and her relationship with Liam grows complicated, Rachel fights to reconcile the woman she is with the proper lady nineteenth-century society expects her to be. As their portal to the future prepares to close, Rachel and Liam struggle with their directive to leave history intact and exactly as they found it. . . however heartbreaking that may prove.

[A Book of Golden Deeds](#) Signal

Here is one of those rare and remarkable debuts that herald the

appearance of a major new talent on the literary scene. Inspired by real events, Lay That Trumpet In Our Hands is a wise and luminous story about a northern family, a southern town, and the senseless murder that sparks an extraordinary act of courage. To this day, my family is in disagreement as to precisely when the nightmare began. For me, it was the morning Daddy and Luther discovered Marvin, beaten, shot, and dying, in the Klan's stomping grounds off Round

Lake Road. My brother Ren disagrees. He points to the small cluster of scars that begin just outside his left eye and trail horizontally across his temple to the top of his ear. Ren claims it started when the men in white robes took the unprecedented step of shooting at two white children. Others say it was when Mr. Thurgood Marshall of the NAACP and Mr. Hoover ' s FBI came to town. Mother and Daddy shake their heads. In their minds, the real

beginning was much earlier.... A Meal Observed Random House Newlyweds Lord Peter Wimsey and Harriet Vane explore a mysterious turn of events during the short-lived reign of Edward VIII, in a novel left unfinished and unpublished for almost sixty years My Life from Scratch Penguin Lilly, the main character of Camilla Gibb ' s stunning new novel, has anything but a stable childhood. The daughter of English/ Irish hippies, she was " born in Yugoslavia, breast-

fed in the Ukraine, weaned in Corsica, freed from nappies in Sicily and walking by the time [they] got to the Algarve... " The family ' s nomadic adventure ends in Tangier when Lilly ' s parents are killed in a drug deal gone awry. Orphaned at eight, Lilly is left in the care of a Sufi sheikh, who shows her the way of Islam through the Qur ' an. When political turmoil erupts, Lilly, now sixteen, is sent to the ancient walled city of Harar, Ethiopia, where she stays in a dirt-floored compound with an impoverished widow named Nouria and

her four children. In Harar, Lilly earns her keep by helping with the household chores and teaching local children the Qur ' an. Ignoring the cries of " farenji " (foreigner), she slowly begins to put down roots, learning the language and immersing herself in a culture rich in customs and rituals and lush with glittering bright headscarves, the chorus of muezzins and the scent of incense and coffee. She is drawn to an idealistic half-Sudanese doctor named Aziz, and the two begin to meet every Saturday at a social gathering. As they stay behind to

talk, Lilly finds her faith tested for the first time in her life: " The desire to remain in his company overwhelmed common sense; I would pick up my good Muslim self on the way home. " Just as their love begins to blossom, they are wrenched apart when the aging emperor Haile Selassie is deposed by the brutal Dergue regime. Lilly seeks exile in London, while Aziz stays to pursue his revolutionary passions. In London, Lilly ' s life as a white Muslim is no less complicated. A hospital staff nurse, she befriends a refugee from

Ethiopia named Amina, whose daughter she helped to deliver in a back alley. The two women set up a community association to reunite refugees with lost family members. Their work, however, isn ' t entirely altruistic. Both women are looking for someone: Amina, her husband, Yusuf, and Lilly, Aziz, who remains firmly, painfully, implanted in her heart. The first-person narrative alternates seamlessly between England (1981-91) and Ethiopia (1970-74), weaving a rich tapestry of one woman ' s quest to maintain faith and

love through revolution, upheaval and the alienation of life in exile. Sweetness in the Belly was universally praised for the tremendous empathy that Gibb brings to an ambitious story. Kirkus Reviews writes that the novel "reflect(s) the pain, cultural relocation and uncertainty of tribal, political and religious refugees the world over. Gibb's territory is urgently modern and controversial but she enters it softly, with grace, integrity and a lovely compassionate story. [It is a] poem to belief and to the displaced – humane,

resonant, original, impressive." According to the Literary Review of Canada, Sweetness in the Belly is "...a novel that is culturally sensitive, consummately researched and deeply compassionate e...richly imagined, full of sensuous detail and arresting imagery...Gibb has smuggled Western readers into the centre of lives they might never otherwise come into contact with, let alone understand. " The Lion, the Witch, and the Wardrobe Vintage A delectable memoir about the transformative power of food, Blue Plate Special is a

deeply personal narrative in which food becomes the vehicle for exploring a life. Here, novelist Kate Christensen tells her own story, from her unorthodox childhood in 1960s Berkeley as the daughter of a legal activist who ruled the house with his fists to her extraordinary success as a PEN/Faulkner Award-winning author. Hungry not just for food, but for love and a sense of belonging, Christensen writes honestly about her struggle to find the contentment she has always yearned for. A beautifully written account of a

knockabout life, full of sorrows, pleasures—and, of course, food—Blue Plate Special is a delicious reading experience. First Comes Love Penguin Patricia Volk's delicious memoir lets us into her big, crazy, loving, cheerful, infuriating and wonderful family, where you're never just hungry – your starving to death, and you're never just full – you're stuffed. Volk's family fed New York City for one hundred years, from 1888 when her great-grandfather introduced pastrami to America until

1988, when her father closed his garment center restaurant. All along, food was pretty much at the center of their lives. But as seductively as Volk evokes the food, Stuffed is at heart a paean to her quirky, vibrant relatives: her grandmother with the “best legs in Atlantic City”; her grandfather, who invented the wrecking ball; her larger-than-life father, who sculpted snow thrones when other dads were struggling with snowmen. Writing with great freshness and humor, Patricia Volk will leave you hungering to sit down to dinner with

her robust family – both for the spectacle and for the food. Sugar Baby Open Road Media The adventure begins when Meg's mother, Addie, vacationing in Florida, takes a spill. At the hospital, Addie bolts upright on her gurney and yells “I demand an autopsy!” before passing out cold. “One minute, she is unconscious, the next, she's nuts,” observes Meg Federico in this hilarious and poignant memoir of taking care of eighty-year-old Addie and her relatively new (and equally old) husband, Walter, in their not-so-golden years. Addie's accident is a portent

of things to come over the next two years as Meg oversees her mother's home care in the Departure Lounge, the nickname Meg gives Addie and Walter's house in suburban New Jersey. It is a place of odd behaviors and clashing caregivers, where chaos and confusion reign supreme. Meg had expected that Addie and Walter would settle into a Rockwellian dotage of docile dependency. Instead the pair regress into terrible teens. Meg watches from the sidelines in disbelief as her mother and stepfather, forbidden by doctors to drink, conspire to order cases of scotch by phone; as Addie's attendant accuses the evening staff

midnight voodoo; as the increasingly demented Walter's sex drive becomes unbridled and mail-order sex aids are delivered to the front door. Meg jumps in to cope with the pandemonium – even as she struggles to manage her own family back in Nova Scotia. With a fresh voice and a keen eye for the absurd, Meg Federico writes a story that will resonate with the generation now caring for their parents. Welcome to the Departure Lounge is a moving and madcap chronicle of a family – their moments of joy, the memories they'd rather forget, and the just plain loopiness of their situation. "How's life at the Departure Lounge?" Meg's brother asks.

Meg doesn't know where to start. "Let's just say the drinks are outrageous, and they never run out of nuts." **The Death and Life of Charlie St. Cloud Crown**

Photographs and stories of people who have coped with and overcome depression, anxiety, trauma, and other challenges. "In MIT professor Daniel Jackson's recent book, Portraits of Resilience, being resilient means being vulnerable. It gives a glimpse into how students at the Massachusetts

Institute of Technology—one of the most competitive and elite universities in the world—cope, overcome, and find meaning in their lives." —The Boston Globe
More than 15 million Americans grapple with depression in a given year, and 40 million are affected by anxiety disorders. And yet these people are often invisible, hidden, unacknowledged. At once a photo essay and a compendium of life stories, Portraits of Resilience brings

us face to face with twenty-two extraordinary individuals, celebrating the wisdom they have gained on the frontline of a contemporary battle. We hear from a young man who was struck with a debilitating sadness just when his life seemed to have turned around, and a medical student whose self-image was transformed by an antidepressant. We meet a physicist whose troubles led him to reassess the role human connection played in his life, an

overachiever who developed one of her closest friendships in a mental hospital, and administrative assistant who grew up with an abusive parent but learned to heal and create a new life for herself. No one is immune to depression or anxiety; all of these narrators achieved success as students, faculty, or staff in the demanding world of MIT. The pressures of a competitive and high-pressure environment will be familiar to many. And the mysterious and overwhelming grip

of depression will be recognized by those who have suffered from it. But the search for purpose and meaning that pervades these stories is relevant to everyone. These wise people give us not only solace and reassurance as we face our own challenges, but also the inspiration that challenges can be overcome—and that happiness, while elusive, can eventually be found. Hello, Cupcake! HarperCollins This young readers' edition of Christina Baker Kline's #1 New

York Times bestselling novel *Orphan Train* follows a twelve-year-old foster girl who forms an unlikely bond with a ninety-one-year-old woman. Adapted and condensed for a young audience, *Orphan Train Girl* includes an author's note and archival photos from the orphan train era. This book is especially perfect for mother/daughter reading groups. Molly Ayer has been in foster care since she was eight years old. Most of the time, Molly

knows it's her attitude that's the problem, but after being shipped from one family to another, she's had her fair share of adults treating her like an inconvenience. So when Molly's forced to help an wealthy elderly woman clean out her attic for community service, Molly is wary. But from the moment they meet, Molly realizes that Vivian isn't like any of the adults she's encountered before. Vivian asks Molly questions about her life and actually listens to the answers. Soon Molly sees they have more in common than she thought. Vivian was once an orphan, too—an Irish immigrant to New York City who was put on a so-called "orphan train" to the Midwest with hundreds of other children—and she can understand, better than anyone else, the emotional binds that have been making Molly's life so hard. Together, they not only clear boxes of past mementos from Vivian's attic, but forge a path of friendship, forgiveness, and new beginnings.
