When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at

all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly. comes a stunning new novel about courage, hope, and learning to love against all odds. Cassie Hanwell was born for emergencies. As one of the only female firefighters in her Texas firehouse, she's seen her fair share of them, and she's a total pro at other people's tragedies. But when her estranged and ailing mother asks her to give up her whole life and move to Boston, Cassie suddenly has an emergency of her own. The tough, old-school Boston firehouse is as different from Cassie's old job as it could possibly be. Hazing, a lack of funding, and poor facilities mean

that the firemen aren't exactly thrilled to have a "lady" on the crew—even one as competent and smart as Cassie. Except for the infatuation-inspiring rookie, who doesn't seem to mind having Cassie around. But she can't think about that. Because love is girly, and it 's not her thing. And don ' t forget the advice her old captain gave her: Never date firefighters. Cassie can feel her resolve slipping...and it means risking it all—the only job she ' s ever loved, and the hero she ' s worked like hell to become. Katherine Center's *Things You Save in a Fire* is a heartfelt and healing tour-de-

force about the strength of vulnerability, the nourishing magic of forgiveness, and the life-changing power of defining courage, at last, for yourself.

Before It Ends with Us, it started with Atlas. Colleen Hoover tells fan favorite Atlas ' s side of the story and shares what comes next in this long-anticipated sequel to the " glorious and touching " (USA TODAY) #1 New York Times bestseller and major motion picture *It Ends with Us*. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately

says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter ' s life. Switching between the perspectives of Lily and Atlas, *It Starts with Us* picks up right where the epilogue for the " gripping, pulse-pounding " (Sarah Pekkanen, author of *Perfect Neighbors*) bestselling phenomenon *It Ends with Us* left off. Revealing more about Atlas ' s past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that " no one delivers an emotional read like

Colleen Hoover ” (Anna Todd, New York Times bestselling author).
