Seeking Love in Modern Britain charts the emergence of the modern British single through an account of the dating industry that sprang up to serve men and women. It shows how — amid a period of unprecedented sexual and social change — 'the single' became a key unisex identity and lifestyle. From around 1970, a growing, cottage-style matchmaking industry in Britain was offering the romantically solo a choice between computer dating firms, such as Dateline or Compudate, introduction agencies and the lonely hearts pages of Private Eye, Time Out and others. Zoe Strimpel reveals how this rapidly expanding landscape of services was catering to a new breed of single people, and how — by the late 1990s — singleness had become the culturally mainstream, wholly expected part of the romantic life cycle that it is today. Refuting the widespread idea that the Internet invented modern dating, this book uses an eclectic and engaging range of first-person accounts and snapshots from the time to show that the story of contemporary romance, mediated courtship and singleness began in a time long before Tinder. *Confessions of a Puppetmaster* Confessions of S Sugar Baby" Nelisa Songelwa is 17 when she is first approached by a 40-year-old plus Jack. He promises the world to her. With his money and influence, she sees an opportunity to have fun whilst making money. What starts as a game for this young girl, leads to death, broken families, mistrust and misadventures that destroy lives. Confessions of a Sugar Baby is a tragic and yet powerful story that reflects the views of young girls when it comes to sugar-daddies, family, education and society. Because when one is young, they believe they know it all and thus do not listen to reason. She fails to understand her fate even though it is right before her own eyes. Her mother--a sugar baby herself--is the perfect example of how life can truly be bad if the amazing happens, and the sugar daddy actually marries his sugar baby. In fact, it was this stubbornness and free spirit of being born as one of the infamous ama2000 that would lead her life to fall apart. What Nelisa did not understand was that the story of a sugar daddy is as old as time and the victim like those before her, would always be the girl child. It is the story of a high school teenage girl who falls into the trap of dating older men. Nelisa's story is a powerful tragedy of what it means to be a teenage girl in today's fast-paced society, in which being relevant means fierce competition. This is a universal story that needs to be told over and over again because it is a prevalent social ill."--Secrets Of A Sugar Baby 2

For seven years, Alison Arngrim played a wretched, scheming, selfish, lying, manipulative brat on one of TV history's most beloved series. Though millions of Little House on the Prairie viewers hated Nellie Oleson and her evil antics, Arngrim grew to love her character—and the freedom and confidence Nellie inspired in her. In Confessions of a Prairie Bitch, Arngrim describes growing up in Hollywood with her eccentric parents: Thor Arngrim, a talent manager to Liberace and others, whose appetite for publicity was insatiable, and legendary voice actress Norma MacMillan, who played both Gumby and Casper the Friendly Ghost. She recalls her most cherished and often wickedly funny moments behind the scenes of Little House: Michael Landon's "unsaintly" habit of not wearing underwear; how she and Melissa Gilbert (who played her TV nemesis, Laura Ingalls) became best friends and accidentally got drunk on rum cakes at 7-Eleven; and the only time she and Katherine MacGregor (who played Nellie's mom) appeared in public in costume, provoking a posse of elementary schoolgirls to attack them. Arngrim relays all this and more with biting wit, but she also bravely recounts her life's challenges: her struggle to survive a history of traumatic abuse, depression, and paralyzing shyness; the "secret" her father kept from her for twenty years; and the devastating loss of her "Little House husband" and best friend, Steve Tracy, to AIDS, which inspired her second career in social and political activism. Arngrim describes how Nellie Oleson taught her to be bold, daring, and determined, and how she is eternally grateful to have had the biggest little bitch on the prairie to show her the way. Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library ’ s new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany ’ s and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote ’ s masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “ new journalism. ” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “ I thought he was a very nice gentleman, ” he says of Herb Clutter. “ Soft-spoken. I thought so right up to the moment I cut his throat. ” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers ’ flight, Capote ’ s account is so detailed that the reader comes to feel almost like a participant in the events.

This is the story of the birth and growth of Seattle ’ s innovative Mars Hill Church, one of America ’ s fastest growing churches located in one of America ’ s toughest mission fields. It ’ s also the story of the growth of a pastor, the mistakes he ’ s made along the way, and God ’ s grace and work in spite of those mistakes. Mark Driscoll ’ s emerging, missional church took a rocky road from its start in a hot, upstairs youth room with gold shag carpet to its current weekly attendance of thousands. With engaging humor, humility, and candor, Driscoll shares the failures, frustrations, and just plain messiness of trying to build a church that is faithful to the gospel of Christ in a highly post-Christian culture. In the telling, he ’ s not afraid to skewer some sacred cows of traditional, contemporary, and emerging churches. Each chapter discusses not only the hard lessons learned but also the principles and practices that worked and that can inform your church ’ s ministry, no matter its present size. The book includes discussion questions and appendix resources. “ After reading a book like this, you can never go back to being an inwardly focused church without a mission. Even if you disagree with Mark about some of the things he says, you cannot help but be convicted to the inner core about what it means to have a heart for those who don ’ t know Jesus. ” —Dan Kimball, author, The Emerging Church “ ... will make you laugh, cry, and get mad ... school you, shape you, and mold you into the right kind of priorities to lead the church in today ’ s messy world. ” —Robert Webber, Northern Seminary

Renowned producer, director, and “ B movie ” showman Charles Band takes readers on a wild romp through Hollywood ’ s decidedly un-Oscar-worthy underbelly, where mayhem and zombies reign supreme, and cheap thrills and entertainment are king "This book is a blast. It made me want to stay up all night and watch terrible movies." —Peter Sagal "One of the most entertaining film bios ever." —Larry Karaszewski "Reads like a Tarantino film written by Hunter S. Thompson." —Booklist Zombies, aliens, a little skin, lots of gore—and even more laughs—the cinematic universe of Charles Band is legendary. From the toilet-invading creatures of Ghoulies to the time-travelling bounty hunter in Trancers to the pandemic-crashed Corona Zombies, Band has spent four decades giving B-movie lovers exactly what they love. In Confessions of a Puppetmaster, this congenial master of Grindhouse cinema tells his own story,

uncut. Born into a family of artists, Band spent much of his childhood in Rome where his father worked in the film industry. Early visits to movie sets sealed young Charlie ’ s fate. By his twenties he had plunged into moviemaking himself and found his calling in exploitation movies—quick, low-budget efforts that exploit the zeitgeist and feed people ’ s desire for clever, low-brow entertainment. His films crossed genres, from vampire flicks to sci fi to erotic musical adaptations of fairy tales. As he came into his own as a director, he was the first to give starring roles to household names like Demi Moore, Helen Hunt, and Bill Maher. Off set, Band ’ s life has been equally epic. Returning to his beloved Italy, he bought both Dino De Laurentiis ’ s movie studio and a medieval castle. After Romania ’ s oppressive communist regime fell, he circumvented the U.S. State Department to shoot films in Dracula ’ s homeland. He made—and then lost—a moviemaking fortune. A visionary, Band was also at the vanguard of the transition to home video and streaming, making and distributing direct-to-video movies long before the major studios caught on. In this revealing tell-all, Band details the dizzying heights and catastrophic depths of his four decades in showbiz. A candid and engaging glimpse at Hollywood ’ s wild side, Confessions of a Puppetmaster is as entertaining as the movies that made this consummate schlockmeister famous.

This breathtaking debut, winner of the Costa First Novel Award, is a murder mystery that travels across the Atlantic and through the darkest channels of history. A brilliant, searing depiction of race, class, and oppression that penetrates the skin and sears the soul, it is the story of a woman of her own making in a world that would see her unmade. All of London is abuzz with the scandalous case of Frannie Langton, accused of the brutal double murder of her employers, renowned scientist George Benham and his eccentric French wife, Marguerite. Crowds pack the courtroom, eagerly following every twist, while the newspapers print lurid theories about the killings and the mysterious woman being tried at the Old Bailey. The testimonies against Frannie are damning. She is a seductress, a witch, a master manipulator, a whore. But Frannie claims she cannot recall what happened that fateful evening, even if remembering could save her life. She doesn ’ t know how she came to be covered in the victims ’ blood. But she does have a tale to tell: a story of her childhood on a Jamaican plantation, her apprenticeship under a debauched scientist who stretched all bounds of ethics, and the events that brought her into the Benhams ’ London home—and into a passionate and forbidden relationship. Though her testimony may seal her conviction, the truth will unmask the perpetrators of crimes far beyond murder and indict the whole of English society itself.
