2 Corinthians Commentary A&C Black

This study questions the traditional view of sacrifices in hero-cults during the Archaic to the early Hellenistic periods. The analysis of the epigraphical and literary evidence for sacrifices to heroes in these periods shows, contrary to the traditional notion, that the main ritual in hero-cults was a *thysia* at which the worshippers consumed the meat from the animal victim. A particular handling of the animal's blood or a holocaust, rituals previously taken to be typical for heroes, can rarely be documented and must be considered as marginal features in hero-cults. The terms *eschara*, *escharon*, *bothros*, *enagizein*, *enagisma*, *enagismos* and *enagisterion*, believed to be characteristic for hero-cults, are seldom used in hero-contexts before the Roman period and occur mainly in the Byzantine lexicographers and in the scholia. Since the main kind of sacrifice in hero-cults was a *thysia*, a ritual intimately connected with the social structure of society, the heroes must have fulfilled the same role as the gods within the Greek religious system. The fact that the heroes were dead seems to have been of little significance for the sacrificial rituals and it is questionable whether the rituals of hero-cults are to be considered as originating in the cult of the dead.

Women in the Ministry of Jesus Mohr Siebeck

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

This commentary explains 1 and 2 Corinthians passage by passage, following Paul's argument. It uses a variety of ancient sources to show how Paul's argument would have made sense to first-century readers, drawing from ancient letter-writing, speaking, and social conventions. The commentary will be of interest to pastors, teachers, and others who read Paul's letters because of its readability, firm grasp of the background and scholarship on the Corinthian correspondence, and its sensitivity to the sorts of questions asked by those wishing to apply Paul's letters today. It will also be of interest to scholars because of its exploration of ancient sources, often providing sources not previously cited in commentaries.

Today many believers have been led astray and are in bondage, because they have been fed on the old wine - the traditions of men that have accumulated in Christendom through twenty centuries, and that have been added to God's Word, or that have replaced God's Word. When the new wine is offered to them, they say, "The old is good enough" (Luke 5:39). This they remain in spiritual stagnation, year after year. Most Christians are unwilling to give up the traditions of their elders, even when they see these to be clearly contrary to the teaching of God's Word. We need to come back to the faith that was revealed by God to His holy apostles and prophets, as recorded in the New Testament Scriptures, if we are to fulfil God's purpose in our day and age. To come back to that, we must be willing to do violence to every tradition of man that is contrary to God's Word (Matthew 11:12). This book will change your life and your ministry, because it will question many 'sacred' ideas that you have held that have no foundation in God's Word. That in turn will save you from regret and loss when you stand before the judgment seat of Christ to give an account of your life to Him. He who has an open mind and a bold heart, let him read on...

The Corinthian church required Paul's repeated care. In 2 Corinthians, he continues his attempt to correct errors of unchristian practice, worship, and doctrine. Concerned with false apostles who were leading the church astray, Paul defended his own authority as God's apostle and sought reconciliation within the church. Respected preacher and Bible teacher John MacArthur presents yet another comprehensive and compelling commentary in his New Testament series.

Paul, Women, and Wives Moody Publishers

This book investigates Paul's effort to combat factionalism by his use of the Greco-Roman rhetoric of 'the common advantage' to overcome socio-ethical problems caused by the improper exercise of 'private advantage' in Corinth. Chang examines 'the common advantage', first, as a fundamental principle that defined human and societal relationships in the Greco-Roman world. He explores how the neglect and misunderstanding of this principle lay at the root of relational and societal breakdowns. The book further examines Paul's use of the term and demonstrates that, when properly understood and appropriated, the principle of 'the common advantage' is pivotal to keeping societies and relationships dynamic and healthy. Conversely, when common advantage is not functioning and, concomitantly, private advantage is wrongly emphasized at its expense, relational, societal and ecclesiastical breakdowns occur. The book culminates in demonstrating that, for Paul, 'the common advantage' carries missional and salvific implications that override and subvert socio-ethnic boundaries. In this way, otherwise hostile social groups will realize a healthy symbiosis.

Paul's letters stand at the center of the dispute over women, the church, and the home, with each side championing passages from the Apostle. Now, in a challenging new attempt to wrestle with these thorny texts, Craig Keener delves as deeply into the world of Paul and the apostles as anyone thus far. Acknowledging that we must take the biblical text seriously, and recognizing that Paul's letters arose in a specific time and place for a specific purpose, Keener mines the historical, lexical, cultural, and exegetical details behind Paul's words about women in the home and ministry to give us one of the most insightful expositions of the key Pauline passages in years.

Commentary 2020-2021 [KJV-AMP]

Giants plague today's church and while they may not wield spears and shields, they are fearsome, causing far too many of God's children to stumble in their walks. In Slaying the Giants in Your Life, Dr. David Jeremiah challenges us to stand valiantly against the giants that seek to terrorize today's believers. Dr. Jeremiah weaves gripping real-life stories of contemporary giant slayers who came face-to-face with their own Goliaths: temptation, doubt, procrastination, and jealousy. In each, you will discover afresh the eternal unwavering promise of God to overcome those giants.
