this infectious playground romp. Mean Jean was Recess Queen and nobody said any different. Nobody swung until Mean Jean swung. Nobody kicked until Mean Jean kicked. Nobody bounced until Mean Jean bounced. If kids ever crossed her, she'd push 'em and smooch 'em, lollapaloosh 'em, hammer 'em, slammer 'em, kitz and kajammer 'em. Until a new kid came to school! Parents and teachers will appreciate the story's deft handling of conflict resolution (which happens without adult intervention). "A lively story about the power of kindness and friendship" -- Publishers Weekly "A lighthearted look at a serious topic in schools and on playgrounds everywhere..." --

School Library Journal "Great for reading aloud and joining in." -- Booklist
The Knowledge Gap Scholastic Inc.
Twenty easy-to-use lessons, role play activities, reproducible handouts, puppet show scripts, and two posters for grades 1 to 5 that focus on the four skills of conflict management.
But It's Not My Fault
Educators for Social responsibility
An incident at school forces sixth grader Phil Morelli, a white boy, to become aware of racial

discrimination and segregation, and to seriously consider if he himself is prejudiced.
The Jacket Scholastic Inc.
Have you been searching for a way to resolve conflict that doesn't involve a series of ten or more steps? Do you think that perhaps a key to conflict resolution must come from within? How can teachers and pre-service teachers help their students learn and use strategies for conflict resolution? Tools for Conflict Resolution is a practical method for teaching conflict

resolution skills to students in grades K-12. Conflict is a part of everyone's life. It is the authors' belief that if each student is given tools for handling conflict, and these tools are used each time conflict arises that soon students become proficient conflict managers. This book begins with a chapter, which introduces Peter Senge's five disciplines: Personal Mastery, Mental Models, Shared Vision, Team Building, and Systems Thinking. After reading this chapter, the reader is able to embrace the five

disciplines and begin practicing the adult level. As teachers, we teach from who we are. The rest of the book is filled with actual lesson plans, which are directly tied to the Multiple Intelligences Theory and are developmentally appropriate for students. Case studies, role-plays, skits, literature, songs, and co-operative learning activities are the primary instructional methods used to teach students conflict resolution skills. An annotated bibliography is included to assist teachers in extending lessons. These lessons may be

taught during Social Studies as a unit on character education or could be used during a guidance class.

Just Kidding Free Spirit Publishing

Jake's bragging is really starting to get to his neighbor Tyler. Tyler can't show Jake a basketball move, a school assignment, or a new toy without Jake saying he can do better. Tyler starts to wonder: Is something wrong with him? Is he really such a loser? Is Jake really better than him at everything? Or is Jake the

one with the problem? With the help of his uncle Kevin, Tyler begins to understand that Jake's bragging has nothing to do with Tyler's own abilities and that puffing yourself up leaves little room for friends.

Enemy Pie (Reading Rainbow Book, Children's Book about Kindness, Kids Books about Learning)

National Council of Teachers of English (Ncte)

A gentle story that teaches how small acts of kindness can help children feel included and allow them to flourish, from esteemed author and speaker

Trudy Ludwig and acclaimed illustrator Patrice Barton. A simple act of kindness can transform an invisible boy into a friend... Meet Brian, the invisible boy. Nobody in class ever seems to notice him or think to include him in their group, game, or birthday party . . . until, that is, a new kid comes to class. When Justin, the new boy, arrives, Brian is the first to make him feel welcome. And when Brian and Justin team up to work on a class project together, Brian finds a way to shine. Any parent, teacher, or counselor looking for material that

sensitively addresses the needs of quieter children will find *The Invisible Boy* a valuable and important resource. Includes a discussion guide and resources for further reading.

Talk and Work It Out
Knopf Books for Young Readers

Examines the theoretical underpinnings of how students learn to write from reading other writers; describes various kinds of inquiry designed to help teachers and students learn how to learn from writers; and includes thoughts from

the author on writing and teaching, as well as a selection of resource materials.

Confessions of a Former Bully
Simon and Schuster

Based on the view that making social concepts and feelings concrete would help children in primary grades to take turns, cooperate, and solve their problems respectfully, this curriculum uses a story about the Rainbow Kids, an imaginary community of children, to introduce children to social concepts and conflict resolution skills. The Rainbow Kids experience emotions that are conveyed by the weather around

them. These simple "sunny" and "cloudy" metaphors turn abstract notions of behavior into physical expressions young children can easily comprehend. Part 1 of the curriculum guide describes the impetus for the program, discusses how the program works, summarizes the story, and details the procedures involved in presenting the program. Part 2 contains the seven lessons and two activities comprising the program; this part includes sample program materials in six appendices, and lists selected resources for elementary school teachers. Part 3 is a separate booklet for students containing "The Rainbow Kids" story. (Contains 15 references.) (KB)

Maya's friend Bailey loves to talk about everything and everyone. At first, Maya thinks Bailey is funny. But when Bailey's talk leads to harmful rumors and hurt feelings, Maya begins to think twice about their friendship. In her fourth

book for children, relational aggression expert Trudy Ludwig acquaints readers with the damaging consequences of "trouble talk"-talking to others about someone else's troubles in order to establish connection and gain attention. Includes additional resources for kids, parents, and teachers, as well as advice from Trudy about how to combat trouble talk. Trudy Ludwig's books have sold more than 50,000 copies. Includes foreword by Dr. Charisse L. Nixon, author of *Girl Wars: 12 Strategies That Will End Female Bullying*.
The Big Book of Conflict

Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration Knopf Books for Young Readers

Motivate students to get off the "conflict escalator" by talking things through and expressing feelings in constructive ways. Includes easy, classroom-tested methods and reproducible activity pages. For use with Grades K-2.

The Legend of Rock Paper

Scissors Knopf Books for Young Readers
A Powerful Approach to Bringing God's Grace to Kids
Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will

learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid.

Alexander and the Terrible, Horrible, No Good, Very Bad

Day Penguin

A rare look at emotional bullying among boys from the best-selling author of *My Secret Bully*. D.J.'s friend Vince has a habit of teasing D.J. and then saying, "Just kidding!" as if it will make everything okay. It doesn't, but D.J. is afraid that if he protests, his friends will think he can't take a joke. With the help of his father, brother, and an understanding teacher, D.J. progresses from feeling helpless to taking positive action, undermining the power of two seemingly harmless words. Trudy Ludwig takes another look at relational aggression, the use of relationships to manipulate and hurt others, this time from the boy's point of view. Back matter

includes discussion questions, a "dos and don'ts of teasing" list, and a resource guide for parents and teachers. Endorsed by Full Esteem Ahead, The Hands & Words Are Not For Hurting Project, and The Ophelia Project. [The Invisible Boy](#) Youthlight The lessons in this guide teach high school students the essential skills they'll need to manage and resolve interpersonal conflict in creative, positive ways. Along the way students will also explore diversity, power, and prejudice as they continue to develop greater emotional and social skillfulness. *Conflict Resolution in the High School* contains: 36 core skill lessons An exploration of 8 different implementation models

In-depth information on how to infuse conflict resolution into the standard high school curriculum
Ideas for assessing student learning
9 additional, multi-period activities for taking the skills and concepts further
The curriculum encourages students to connect the concepts and skills taught in the lessons to their own personal experiences. Students learn to analyze conflict, deal with feelings more effectively, defuse anger, and negotiate and mediate personal and group conflicts. Students also learn how to build more positive intergroup relations and explore how they can use their new skills and understandings to make a positive difference in their communities.
