Teaching Conflict Resolution Through Children's Literature Guilford Press

Can a pirate and a prince learn to share? In the fort in the woods, a prince is preparing his castle for a lively feast for the royal kingdom. Unbeknownst to him, a pirate uses the same fort as her ship, planning to venture out to the open seas in search of treasure. But when a treasure map appears on the prince ' s party invitations, and the pirate finds that her sword has turned into a scepter, they realize there is an intruder in the castle—no, ship! Soon, a battle over the fort between the adversaries ensues, leading to a humorous showdown. When they make amends, their amazing imaginations come up with a new adventure...together. Kids will revel in the spirited and imaginative battle and be thrilled by the turn of events. Dynamic and charismatic illustrations bring this witty tale and its celebration of sharing and teamwork to life.

I Love You Rituals Page Street Kids

A modern parenting classic—a guide to a new and gentle way of understanding the care and nurture of infants, by the internationally renowned childcare expert, podcaster, and author of No Bad Kids “ An absolute go-to for all parents, therapists, anyone who works with, is, or knows parents of young children. ” —Wendy Denham, PhD A Resources for Infant Educators (RIE) teacher and student of pioneering child specialist Magda Gerber, Janet Lansbury helps parents look at the world through the eyes of their infants and relate to them as whole people who have natural abilities to learn without being taught. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and connect with our child. A collection of the most-read articles from Janet ' s popular and long-running blog, Elevating Child Care focuses on common infant issues, including: • Nourishing our babies ' healthy eating habits • Calming your clingy, fearful child • How to build your child ' s focus and attention span • Developing routines that promote restful sleep Eschewing the quick-fix tips and tricks of popular parenting culture, Lansbury ' s gentle, insightful guidance lays the foundation for a closer, more fulfilling parent-child relationship, and children who grow up to be authentic, confident, successful adults.

In this Queen Bees and Wannabes for the elementary and middle school set, child and adolescent psychotherapist Katie Hurley shows parents of young girls how to nip mean girl behavior in the bud. Once upon a time, mean girls primarily existed in high school, while elementary school-aged girls spent hours at play and enjoyed friendships without much drama. But in this fast-paced world in which young girls are exposed to negative behaviors on TV and social media from the moment they enter school, they are also becoming caught up in social hierarchies much earlier. No More Mean Girls is a guide for parents to help their young daughters navigate tricky territories such as friendship building, creating an authentic self, standing up for themselves and others, and expressing themselves in a healthy way. The need to be liked by others certainly isn't new, but this generation of girls is growing up in an age when the "like" button shows the world just how well-liked they are. When girls acknowledge that they possess positive traits that make them interesting, strong, and likeable, however, the focus shifts and their self-confidence soars; "likes" lose their importance. This book offers actionable steps to help parents empower young girls to be kind, confident leaders who work together and build each other up.

Finding Your Way Through Conflict Guilford Press

Text and photographs designed to create opportunities for children to talk about their experiences of conflict and the varieties of ways to resolve them.

We Can Work it Out TarcherPerigee

Based on the view that making social concepts and feelings concrete would help children in primary grades to take turns, cooperate, and solve their problems respectfully, this curriculum uses a story about the Rainbow Kids, an imaginary community of children, to introduce children to social concepts and conflict resolution skills. The Rainbow Kids experience emotions that are conveyed by the weather around them. These simple "sunny" and "cloudy" metaphors turn abstract notions of behavior into physical expressions young children can easily comprehend. Part 1 of the curriculum guide describes the impetus for the program, discusses how the program works, summarizes the story, and details the procedures involved in presenting the program. Part 2 contains the seven lessons and two activities comprising the program; this part includes sample program materials in six appendices, and lists selected resources for elementary school teachers. Part 3 is a separate booklet for students containing "The Rainbow Kids" story. (Contains 15 references.) (KB)

Talk and Work It Out Penguin

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration Association for Supervision & Curriculum Development

Parenting expert Carl E. Pickhardt brings his considerable experience to tackling the most pervasive and difficult problems parents face in childrearing. Whereas many books on family conflict focus on the prickly teenage years, Pickhardt takes the long view and treats a broad range of ages--starting from the early toddler years all the way through college. He empowers parents to turn conflict into an opportunity to engage with their children on a deeper level. Readers will learn to: - Manage emotion during a fight so that you can hear the feelings behind the vitriol without taking offense. - Give criticism to children in a way that focuses on the behavior and not the person. - Find a hook inside silent tension that will let you connect with your children's feelings and show them a way to empathize with yours. - Consider your children's point of view during a disagreement and teach them to voice their grievances with respect. With a distinctive emphasis on how to distinguish types of conflict dependent on age and gender, Pickhardt shows parents how to turn the daily battles into opportunities for growth. This is a practical guide that helps parents confront difficult issues with which all families grapple.

Sophie's BIG Voice Prentice Hall

From leading researchers, this book presents important advances in understanding how growing up in a discordant family affects child adjustment, the factors that make certain children more vulnerable than others, and what can be done to help. It is a state-of-the-science follow-up to the authors' seminal earlier work, *Children and Marital Conflict: The Impact of Family Dispute and Resolution*. The volume presents a new conceptual

framework that draws on current knowledge about family processes; parenting; attachment; and children's emotional, physiological, cognitive, and behavioral development. Innovative research methods are explained and promising directions for clinical practice with children and families are discussed.

Marital Conflict and Children Createspace Independent Publishing Platform

A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid.

Kids Working It Out Simon and Schuster

"One of the most important books of our modern era" --Amb. Jaime de Bourbon For anyone struggling with conflict, this book can transform you. Negotiating the Nonnegotiable takes you on a journey into the heart and soul of conflict, providing unique insight into the emotional undercurrents that too often sweep us out to sea. With vivid stories of his closed-door sessions with warring political groups, disputing businesspeople, and families in crisis, Daniel Shapiro presents a universally applicable method to successfully navigate conflict. A deep, provocative book to reflect on and wrestle with, this book can change your life. Be warned: This book is not a quick fix. Real change takes work. You will learn how to master five emotional dynamics that can sabotage conflict outside your awareness: 1. Vertigo: How can you avoid getting emotionally consumed in conflict? 2. Repetition compulsion: How can you stop repeating the same conflicts again and again? 3. Taboos: How can you discuss sensitive issues at the heart of the conflict? 4. Assault on the sacred: What should you do if your values feel threatened? 5. Identity politics: What can you do if others use politics against you? In our era of discontent, this is just the book we need to resolve conflict in our own lives and in the world around us.

Negotiating the Nonnegotiable Turtleback

Parents, Grandparents, Childcare Givers, Counselors, Educators, even Business Leaders . . . Do you wish for greater peace in your world? Are you looking for a way to build independent, communicative, caring, problem-solving individuals on their way to becoming successful, happy, contributing members of society? If so, you are going to love Say What's Wrong and Make It Right. Say What's Wrong and Make It Right is an easy-to-learn, hands-on approach to conflict resolution. This process encourages and develops responsibility, assertive communication, and problem-solving skills in children . . . and adults as well. Thirty years of honing and field testing with thousands of children in and out of the classroom have provided the foundation for Say What's Wrong and Make It Right. Parents, educators, and counselors report: - "Our total family communication has improved as a result of using Say What's Wrong and Make It Right." - "Even our youngest students are working toward talking through their problems rather than looking for an adult to solve them."

We Can Work it Out Penguin

Peace Between Us is a conflict resolution tool for children to be used at home or in school. As disagreements arise, Peace Between Us can be readily available on the shelf for those in conflict to be guided through a resolution process, utilizing positive

communication skills that include listening and describing personal perspectives, feelings, and behaviors. The main character, Peace, a lively and helpful chicken, along with his new companion, Quibble, a curious and quick-witted ladybug, lead the way through a fun-filled lesson that provides a new approach to challenges associated with communicating through conflict in a respectful, healthy, and peaceful way. Teacher, parent, or caregiver can aid younger children in utilizing this tool by reading and explaining the process, while older children may use it on their own. **Peace Between Us** offers a platform for building positive communication and conflict resolution skills into valuable habits to last a lifetime.

Peace Between Us Shepherd Press

The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education. The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension "skills" at the expense of actual knowledge. In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars*, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of shedding their deeply ingrained habits, and describes the rewards that have come along: students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix our education system and unlock the potential of our neediest children, we have no choice but to pay attention.

No More Mean Girls Karen Taylor-Bleiker

For professionals interested in the family, the book describes how parents can handle their differences more effectively, and offers insights into the outcomes that are related to styles of family dispute.

The Young Peacemaker Rodale Books

The Happy Kid Handbook St. Martin's Press

From the Publisher: *Teaching Young Children in Violent Times* helps teachers and group leaders working with pre-K to 3rd-graders to create an environment in which young children can learn alternatives to the violent behaviors modeled in our society, the media and home. Mixing dialogs, anecdotes and theory, the book provides essential insights into the developmental roots of young children's thinking and behaviors around gender, prejudice, violence and conflict. It offers practical guidelines and activities for meeting young children's needs for safety; helping young children learn to appreciate diversity; and providing opportunities and skills to resolve conflicts creatively and respectfully. This rich resource also supplies suggestions for using dialogue, puppetry, games, play, class charts, curriculum webs, and children's books to turn any classroom into a peaceable one. Diane Levin is a widely known and respected educator and

researcher who co-authored *The War Play Dilemma* and the best-selling *Who's Calling the Shots?* Published by Educators for Social Responsibility; distributed to the trade by NSP.
