The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration

Workman Publishing

NEW YORK TIMES BESTSELLER • Are you an Upholder, a Questioner, an Obliger, or a Rebel? From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that “will immediately improve every area of your life” (Melissa Urban, co-founder of the Whole30). During her multibook investigation into human nature, Gretchen Rubin realized that by asking the seemingly dry question “How do I respond to expectations?” we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: • Upholders meet outer and inner expectations readily. “Discipline is my freedom.” • Questioners meet inner expectations, but meet outer expectations only if they make sense. “If you convince me why, I’ll comply.” • Obligers (the largest Tendency) meet outer expectations, but struggle to meet inner expectations—therefore, they need outer accountability to meet inner expectations. “You can count on me, and I’m counting on you to count on me.” • Rebels (the smallest group) resist all expectations, outer and inner alike. They do what they choose to do, when they choose to do it, and typically they don’t tell themselves what to do. “You can’t make me, and neither can I.” Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. It’s far easier to succeed when you know what works for you. With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative.

CONFLICT RESOLUTION Penguin

A woman’s down-to-earth guide for releasing stress and reclaiming her free-spirit Stress management expert and radio personality Debbie Mandel presents her highly original program for stress reduction. She explains that women who are constantly stressed out have forgotten the dreams of the free-spirited girl living inside them before they became somebody’s wife, mother, or workplace colleague. This book, the inspiring and humorous story of successful recovery from stress addiction, outlines her seven steps that have proven to help women overcome daily stressors and reclaim a life of joy and spontaneity. Explores the habit forming pressure principle of stress addiction and how to cure it Provides step-by-step program for self-empowerment, self-care, healthy narcissism, and renewing humor in a woman’s relationships Explains the powerful, researched based relationship between food, exercise, and mood Contains indispensable strategies for accepting constructive conflicts with a spouse, partner, friend or colleague to get what she wants Teaches specific techniques for reducing and eliminating stress reduction Addicted to Stress shows how as the addiction to stress is cured, women find it possible to build up an immunity to outside pressure and become their true core self.

How to Resolve Conflict Moody Publishers

When we disagree about fundamental issues, especially issues such as politics or religion, it can be incredibly difficult to maintain close interpersonal relationships. These differences have ended friendships and caused rifts in families. We need a tool to help us build more resilient relationships despite real and present differences. In *Brave Talk*, communications expert Melody Stanford Martin offers just such a tool: impasse. By learning to treat every conflict as if it’s an impasse and temporarily suspend our desire to resolve differences, we make space for deeper understanding and stronger ties. *Brave Talk* offers hands-on skill-building in critical thinking, power sharing, and rhetoric. Combining real-life storytelling, engaging illustrations, and rigorous academic sources, this book blends humor, creativity, and interactive learning to help everyday people develop better skills for navigating conflict in order to build stronger relationships and healthier communities.

Build vital connections to accelerate your career success *Managing Up* is your guide to the most valuable ‘soft skill’ your career has ever seen. It’s not about sucking up or brown-nosing; it’s about figuring out who you are, who your boss is, and finding where you meet. It’s about building real relationships with people who have influence over your career. *Managing up* is good for you, good for your boss, and good for the organization as a whole. This book gives you strategies for developing these all-important connections and building more than rapport; you become able to quickly assess situations, and determine which actions will move you forward; you become your own talent manager, and your boss’s top choice for that new opportunity. As a skill, managing up can do more for your career than simply ‘networking’ ever could—and this book shows you how. Real-world strategies give you a set of actionable steps, supplemented by expert advice from a top leadership consultant that helps you get on track to advancement. It’s never too early or too late to start adjusting your alignment, and this book provides the help you need to start accelerating your trajectory. Develop robust relationships with influential people Enhance your self-awareness and become more adaptable Gain new opportunities and accelerate your career Stop ‘schmoozing’ and develop true, lasting connections *Managing up* helps you build the sort of relationships that foster more communication, collaboration, cooperation, and understanding between people at different levels of power, with a variety of perspectives and skills. This type of bridge-building builds your reputation for effectiveness and fit, so you can start skipping rungs on the ladder as you build a strong, successful career. *Managing Up* is your personal manual for building this vital skill so you can begin building your best future.

Guidebook to Creating a Collaborative Environment Between Airport Operations and Maintenance Transportation Research Board

“Hosts of all kinds, this is a must-read!” --Chris Anderson, owner and curator of TED From the host of the New York Times podcast *Together Apart*, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don’t have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn’t, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that’s both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Eight Dates Greenleaf Book Group

The relationship teacher, coach, and founder of The Relationship School reveals the origins of conflict styles, how to stop avoiding difficult conversations, and how to resolve conflict in our most important relationships. Conflicts in our closest relationships are scary because so much is at stake. If the conflict doesn’t go well, we could lose our marriage, our family or our job, all connected to our security and survival. So we do just about anything not to lose those relationships, including avoid conflict, betraying ourselves or becoming dishonest. Unresolved conflict affects every single aspect of our lives, from self-confidence to physical and mental health. Jayson Gaddis is a personal trainer for relationships and one of the world’s leading authorities on interpersonal conflict. For almost two decades, Gaddis has helped individuals, couples, and teams get to the bottom of their deepest conflicts. He helps people see the wisdom in conflict and how to get to zero--which means we have successfully worked through our conflict and have nothing in the way of a good connection. In *Getting to Zero*, Gaddis shows the reader how to stop running away from uncomfortable conversations and instead learn how to work through them. Through funny personal stories, uncomfortable examples, and effective tools and skills, he shows the reader how to move from disconnection to connection, acceptance, and understanding. This method upgrades the old tired and static conflict resolution approaches and offers a fresh, street-level, user-friendly road map on exactly how to work through conflict with the people you care most about.

Conflict Communication Cengage Learning

Combining insights in negotiation research with the tactics used by some of the world’s leading business strategists, *Bargaining for Advantage* is a practical guide to becoming a more effective negotiator. Richard Shell explores the hidden psychology and patterns that govern every bargaining situation. Driven by stories about everything from hostage taking and high stakes business deals to everyday encounters, this work offers a step-by-step approach that draws on your own communication style to make you a skillful negotiator.

Conflict is for the Birds : Understanding Your Conflict Management Style Simon and Schuster

Whether you’re newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, *Eight Dates* offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love.

“Happily ever after” is not by chance, it’s by choice—the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, *Eight Dates* offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand).

There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it’s about both of you being active and involved.

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse’s primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on five Lovelanguages.com. The *Five Love Languages* is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

A Lasting Promise CHANGDER OUTLINE

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement.

5 Types of People Who Can Ruin Your Life Harmony

You should worry about your legacy later in your career, at the edge of retirement—right? Not according to Robert Galford and Regina Maruca. In *Your Leadership Legacy*, these authors argue that thinking about your legacy now makes you a better leader today. Based on stories of top leaders who have shaped successful careers, the book explores the art of “legacy thinking,” helping you to formulate a legacy that will exert a positive effect on your work immediately. The authors provide a disciplined approach to framing your legacy, as well as shaping it over time. They start with the idea that your legacy is defined by how others approach work and life as a result of having worked with you. They then demonstrate how to assess your current impact on those around you, strengthen that impact, and pass along the best of yourself in the process. While many leaders “find themselves” and hone their work accordingly only after a major life crisis, *Your Leadership Legacy* enables all leaders to craft their work and build their legacy unburdened by such crises, and to experience personal satisfaction and achievement throughout their working lives.
