Introducing... **Essentials of Investments, 9th Global Edition**, by Zvi Bodie, Alex Kane and Alan J. Marcus. We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international Investment students. A market leader in the field, this text emphasizes asset allocation while presenting the practical applications of

investment theory without unnecessary mathematical detail. The ninth edition includes new coverage on the roots and fallout from the recent financial crisis and provides increased content on the changes in market structure and trading technology.

Enhancements to this new Global Edition include: - New 'On the market front' boxes highlight important investment concepts in real world situations across the globe, to promote student thinking without taking a full case study approach. Topics include short-selling in Europe & Asia, credit default swaps and the debt crisis in Greece and include examples from Commerzbank, JP Morgan, Facebook, Coca-Cola, Santander, The European Energy Exchange, plus many more! - Revised worked examples illustrate problems using both real and fictional scenarios from across the world to help students develop their problem solving skills.

Regional examples include Hutchinson Whampoa (Asia), The Emirates Group (The Middle East) and KLM Royal Dutch Airlines (The Netherlands). - Revised end-of chapter material includes brand new global questions and global internet exercises that feature currencies, companies and scenarios from Europe, Middle East, Africa and Asia to increase engagement for international students. - Global Edition of Connect Plus Finance, McGraw-Hill's web-based assignment and assessment platform with eBook access, helps students learn faster, study more efficiently, and retain more knowledge. This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the US edition.

**Ebook: Fundamentals of Corporate Finance, Middle East Edition**  
McGraw Hill

A modern and contemporary approach to Management Accounting, this brand new textbook written specifically for courses in the UK and Europe provides an essential grounding for students studying both traditional and new Management Accounting techniques. Importantly, this complete text takes its readers beyond just the traditional accounting techniques, to place accounting information and the role of the Management Accountant in a broader organizational context. The text will provide a definitive education for tomorrow's "business-partner" Management Accountants and finance-literate business managers.

McGraw Hill Professional

The approach used by Hoyle, Schaefer, and Douppnik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the

future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards.

Fundamental Managerial Accounting Concepts 7e

Management McGraw Hill

We are pleased to present this Global Edition, which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity-based costing, target costing, the value chain, customer profitability analysis, and throughput costing while also including traditional topics such as job-order costing, budgeting, and performance evaluation. Many of the real-world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U.S. edition.

"Serena Pariser and Victoria Lentfer provide answers to common questions that linger in the brain of a newer teacher. As a newer teacher myself, I wish a book like this existed when I started out. This book is engaging, informative, and so much more. Each section includes helpful tips and is easily organized and accessible. This book is truly an amazing guide for newer teachers, and I highly recommend it as it will form the perfect basis for that exciting and powerful start of a new journey. Teaching can be many things, but this book is truly a game changer for anyone starting out." —Susan Jachymiak Teacher, Leader, and Author Create a positive and energetic classroom where learning can flourish. This insightful, friendly guide to establishing a dynamic classroom is a lifeline of practical support for teachers, providing answers to your biggest questions at the moment you most need them. Through instructional tools, teaching tips, classroom examples,

---

reading suggestions, and more, *Answers to Your Biggest Questions about Creating a Dynamic Classroom* equips teachers to embark on the path of success toward building a positive and energetic learning environment. It details brief, actionable answers to your most pressing questions in five areas of effort: How do I build an affirming classroom community? How do I keep students at the center? How can I design effective, fun, and engaging learning for students? How can I make assessments work for me and my students? What are the things I need to know that are rarely discussed in a teacher training program? This is a resource to keep handy on your desk and reach for often for establishing a vibrant and welcoming classroom community. Practical guidance on topics such as communicating with parents, asking for administrator support, and maintaining a work/life balance, help teachers not only succeed in the early years of teaching, but thrive.
