"Conéctate is a fresh approach in every way. With its focus on the most critical language for communication, its active presentation of vocabulary and grammar, and its inclusion of real-world culture throughout, the program provides a unique framework for the Introductory Spanish course, with two separate but complementary goals in mind: learning to use the language and appreciating the world that it comes from"--

Connect Level 2 Teacher's Edition
Cambridge University Press

As one of the best-selling Intermediate Spanish titles, the third edition of ¡Avance!

continues to develop students' functional, communicative language skills through reinforcement, expansion, and synthesis of the concepts learned in the introductory course sequence. ¡Avance! offers contextualized activities that review language and foster skill development, while at the same time, preparing students to continue their Spanish major or minor coursework and for real-life communicative tasks. Recognizing the need for cultural competence simultaneously coupled with the desire to introduce students to literature at the intermediate level, the 3rd edition of ¡Avance! includes cultural and literary texts

in every chapter, creating a program that meets instructors' demands that intermediate-level instructional materials be not merely contextualized but also content-rich and interesting, as well as motivating to today's students. The modern Spanish classroom is changing as are the teaching and learning experiences we all want to provide our students. Professors are offering more hybrid and online courses or, at a minimum, are seeking technology to extend learning outside of the classroom in truly effective ways. As such, professors are searching for more types of homework tools, better reporting features, and cutting-edge functionality to meet the demands of their courses and the needs of their students. Connect Spanish, McGraw-Hill's digital platform which accompanies the third edition of ¡Avance!, offers state-of-the-art resources never before available to intermediate Spanish, to address the varying levels of communication of intermediate Spanish learners with proven outcomes that improve student learning in measurable ways. The third edition of ¡Avance! is comprised of an array of integrated print and digital offerings, giving you the

maximum flexibility to choose the most appropriate format and content for your courses. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

Students of Introductory Spanish learn best when they are connecting—with authentic culture, with each other as a community, and with the language as used in real-world settings. Conéctate sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Conéctate program's distinctive approach is built around the following principles. Focused approach: Conéctate concentrates on what Introductory Spanish

students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, Conéctate's reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Conéctate. Active learning: Conéctate gives students the opportunity to explore

language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Conéctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as

they draw personal conclusions about the rich culture presented throughout Conéctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand, and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. Conéctate's stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available

in the Connect Spanish platform with Conéctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peer editing, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect Spanish, including but not limited to the

Ingram Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every

student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors

have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.

This uniquely effective new introductory Italian language program meets the needs of instructors as well as learners. Three significant characteristics set Avanti! apart from other beginning Italian texts currently available: First, in response to instructors' concern that

most textbooks attempt to cover too much material in the first year, Avanti! reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction. Second, Avanti! strives to satisfy students' desire to communicate in everyday situations right from the start. The activities guide students to communicate in truly meaningful contexts that encourage explorations of the rich Italian culture. Third, the methodology of Avanti! is firmly grounded in the latest findings from research in second language acquisition and foreign language pedagogy.
