Your students are changing. Technology is changing. The idea of the "classroom" is changing. Now, the way your students experience Spanish can change as well! At McGraw-Hill, we rededicated ourselves over the past few years to broadening and deepening our understanding of the student and instructor experience in World Languages. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we identified a number of areas for improvement upon the existing learning materials available. The result is Experience Spanish. Experience Spanish is a first. Its groundbreaking adaptive diagnostic and synchronous/asynchronous conversation tools create a 24/7 active language-in-culture environment never possible before. With Experience Spanish, instructors can tailor the environment while students tailor the experience, allowing everyone to take ownership of the learning experience. Affording the flexibility that only an integrated solution can provide, Experience Spanish provides an opportunity for instructors to quickly and easily provide a common learning experience for their students regardless of whether the course is face-to-face, online, or hybrid. At the same time, students have all of the tools at their fingertips to take their second language acquisition from the classroom to their communities in an efficient

and personalized way. With Experience Spanish, your concerns about different levels of student preparedness and delivering consistent and meaningful courses in different formats are behind you. This uniquely effective new introductory Italian language program meets the needs of instructors as well as learners. Three significant characteristics set Avanti! apart from other beginning Italian texts currently available: First, in response to instructors' concern that most textbooks attempt to cover too much material in the first year, Avanti! reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction. Second, Avanti! strives to satisfy students' desire to communicate in

everyday situations right from the start. The activities guide students to communicate in truly meaningful contexts that encourage explorations of the rich Italian culture. Third, the methodology of Avanti! is firmly grounded in the latest findings from research in second language acquisition and foreign language pedagogy.
