With new alliances forged and old regimes fractured, Merlin—the cybernetic avatar of Earth's last survivor and immortal beacon to humanity—and the colonies of Safehold have many adventures ahead in *Through Fiery Trials*, the continuation of David Weber's New York Times bestselling military science fiction series. Those on the side of progressing humanity through advanced technology have finally triumphed over their oppressors. The unholy war between the small but mighty island realm of Charis and the radical, Iuddite Church of God's Awaiting has come to an end. However, even though a provisional veil of peace has fallen over human colonies, the quiet will not last. For Safehold is a broken world, and as international alliances shift and Charis charges on with its precarious mission of global industrialization, the shifting plates of the new world order are bound to clash. Yet, an uncertain future isn't the only danger Safehold faces. Long-thought buried secrets and prophetic promises come to light, proving time is a merciless warden who never forgets. "Vast, complex, intricate, subtle, and unlaydownable.... The biggest thing in science fiction since Isaac Asimov's Foundation series." —Dave Duncan on the Safehold series: Safehold Series 1. *Off Armageddon Reef* 2. *By Schism Rent Asunder* 3. *By Heresies Distressed* 4. *A Mighty Fortress* 5. *How Firm A Foundation* 6. *Midst Toil and Tribulation* 7. *Like A Mighty Army* 8. *Hell's Foundations* 9. *Quiver* 10. *Through Fiery Trials* *Albion's Seed* Penguin

"In this luscious alternative universe, sidekicks quote the Lone Ranger and Right inevitably triumphs with panache. What more could adventure-loving readers ask for?"—Publishers Weekly Oakland, 1946. Ex-soldier John Rolfe, newly back from the Pacific, has made a fabulous discovery: A portal to an alternate America where Europeans have never set foot—and the only other humans in sight are a band of very curious Indians. Able to return at will to the modern world, Rolfe summons the only people with whom he is willing to share his discovery: his war buddies. And tells them to bring their families... Los Angeles, twenty-first century. Fish and

Game warden Tom Christiansen is involved in the bust of a smuggling operation. What he turns up is something he never anticipated: a photo of authentic Aztec priests decked out in Grateful Dead T-shirts, and a live condor from a gene pool that doesn't correspond to any known in captivity or the wild. It is a find that will lead him to a woman named Adrienne Rolfe—and a secret that's been hidden for sixty years...

Armistice Simon and Schuster  
Rick Hamilton has the perfect life; a great career, a wonderful son and a beautiful wife. Until one day, everything changes. Something - a premonition? A terrifying fantasy? - happens to Rick. Who is the man in the horrifying fatal car crash? Why is his wife crying at the scene? Who is the man she is calling Richard? And why does she deny they have a son? *Clockwork Angels* Oxford University Press  
NATIONALLY BEST-SELLING AUTHOR. A world where Custer survives Little Bighorn and becomes president goes seriously awry. Following his unlikely but decisive (and immensely popular) 1876 victory over Sitting Bull and the Sioux at the Little Big Horn, George Armstrong Custer is propelled into the White House in 1880. Two years later, he finds himself bored and seeks new worlds to conquer. He and his wife Libbie fixate on Spain's decaying empire as his source for immortality. What President Custer doesn't quite comprehend is that the U.S. military isn't up to such a venture. When a group of Americans on a ship headed for Cuba is massacred, war becomes inevitable—and unless calmer, patriotic citizens and soldiers can find a way to avoid debacle, this war may be America's last stand!

Vengeance National Geographic Books

S. M. Stirling presents his first Novel of the Change, the start of the New York Times bestselling postapocalyptic saga set in a world where all technology has been rendered useless. The Change occurred when an electrical storm centered over the island of Nantucket produced a blinding white flash that rendered all electronic devices and fuels inoperable—and plunged the world into a dark age

humanity was unprepared to face... Michael Pound was flying over Idaho en route to the holiday home of his passengers when the plane's engines inexplicably died, forcing a less than perfect landing in the wilderness. And as Michael leads his charges to safety, he begins to realize that the engine failure was not an isolated incident. Juniper McKenzie was singing and playing guitar in a pub when her small Oregon town was thrust into darkness. Now, taking refuge in her family's cabin with her daughter and a growing circle of friends, Juniper is determined to create a farming community to benefit the survivors of this crisis. But even as people band together to help one another, others are building armies for conquest...

From S. M. Stirling, the "master of speculative fiction" (Library Journal) and the author of the New York Times bestselling *Novels of the Change*, comes a new vision, as a man battles the dark forces of the world—including those in his own blood... Aeons ago, Homo nocturnus ruled the Earth. Possessing extraordinary powers, they were the source of all manner of myths and legends. Though their numbers have been greatly reduced, they exist still—though not as purebreds. Adrian Brézé is one such being. Wealthy and reclusive, he is more Shadowspawn than human. He rebelled against his own kind, choosing to live as an ordinary man, fighting against his darker nature. But Adrian's sister is determined to bring back the reign of the Shadowspawn, and now she has struck him at his weakest point by kidnapping his human lover, Ellen. To save Ellen—and perhaps all of humanity—Adrian must rejoin a battle he swore he would never fight again.

"The World Awakening is a great conclusion to what is a very readable and highly enjoyable series. Characters that are more than the sum of their parts, a world that has so much to offer, and a story that races along apace — the Gateways to Alissia books have it all." -- SFFworld  
Quinn Bradley has learned to use the magic of another world. And that world is in danger. Having decided to betray CASE Global, he can finally reveal his origins to the Enclave and warn them about the company's imminent invasion. Even if it means alienating Jillaine...and allying with someone he's always considered his adversary. But war makes for strange

bedfellows, and uniting Alissians against such a powerful enemy will require ancient enmities—as well as more recent antagonisms—to be set aside. The future of their pristine world depends on it. As Quinn searches for a way to turn the tide, his former CASE Global squad-mates face difficult decisions of their own. For some, it's a matter of what they're willing to do to get home. For others, it's deciding whether they want to go home at all. Continuing the exciting adventures from *The Rogue Retrieval* and *The Island Deception*, *The World Awakening* is the spellbinding conclusion to the Gateways to Alissia fantasy series from Dan Koboldt.

“A major work by an authentic master of alternate history.” —Booklist (Starred Review) In the tenth year of the Change, the survivors in western Oregon live in a world without technology. Michael Havel's Bearkillers hold the lands west of Salem in peace and order. To the east, the Clan Mackenzie flourishes under the leadership of Juniper Mackenzie, bard and High Priestess. Together, they have held Norman Arming—*the warlord of Portland*—at bay. With his dark fantasies of a neofeudal empire, Arming rules much of the Pacific Northwest, spreading fear with his knights, castles, and holy inquisition. Even more dangerous, and perhaps Arming's most powerful weapon of all, is his ruthlessly cunning consort, Lady Sandra. These factions haven't met in battle because Arming's daughter has fallen into Clan Mackenzie's hands. But Lady Sandra has a plan to retrieve her—even if it means plunging the entire region into open warfare...

Harry Turtledove hailed *Island in the Sea of Time* as “one of the best time travel/alternate history stories I've ever read,” and Jane Lindskold called *Against the Tide of Years* “another exciting and explosive tale.” Now the adventures of the Nantucket islanders lost in the time of the Bronze Age continues with *On the Oceans of Eternity*. Ten years ago, the twentieth century and the Bronze Age were tossed together by a mysterious Event. In the decade since, the Republic of Nantucket has worked hard to create a new future for itself, using the technological know-how retained from modern times to explore and improve conditions for the inhabitants of the past. Some of these peoples have become allies. Some have turned instead to the renegade Coast Guard officer William Walker. And for ten years, the two sides have tested each other, feinting and parrying, to decide who will be the ones to lead this brave new world into the future. Now the official battle lines have been drawn. And only one side can emerge the victor...

Smale's gripping alternate history series imagines a world in which the Roman Empire has survived long enough to invade North America in 1218. Now the stunning story carries hero Gaius Marcellinus deeper into the culture of an extraordinary people—whose humanity, bravery, love, and ingenuity forever change his life and destiny. In A.D. 1218, Praetor Gaius Marcellinus is ordered to conquer North America and turning it into a Roman province. But outside the walls of the great city of Cahokia, his legion is destroyed outright; Marcellinus is the only one spared. In the months and years that follow, Marcellinus comes to see North America as his home and the Cahokians as his kin. He vows to defend these proud people from any threat, Roman or native. After successfully repelling an invasion by the fearsome Iroqua tribes, Marcellinus realizes that a weak and fractured North America won't stand a chance against the returning Roman army. Worse, rival factions from within threaten to tear Cahokia apart just when it needs to be most united and strong. Marcellinus is determined to save the civilization that has come to mean more to him than the empire he once served. But to survive the swords of Roma, he first must avert another Iroqua attack and bring Cahokia together. Only with the hearts and souls of a nation at his back can Marcellinus hope to know triumph. Praise for Alan Smale and *Eagle in Exile* “In Alan Smale, speculative fiction has been dealt a winning hand. Part historian, part anthropologist, part scientist, Smale is a Renaissance man with a storyteller's gift for letting tireless research inform the narrative without overwhelming it. Smale entertains, educates, and enraptures.” —Myke Cole, author of *Javelin Rain* “[*Eagle in Exile*] has the pace and scope of a Michener or Uris epic. . . . Smale's action scenes slash across page after page, intense and bloody. . . . Grab your dagger and sword, for the battle continues.” —Kirkus Reviews (starred review)

“Warfare, political conflict, family strife—these are all presented in an epic scope where any decision or wrong move can forever change society.” —Tech Times “Thoroughly believable. . . . Marcellinus is a complicated man, a hero we can all get behind.” —Historical Novels Review

The Desert and the Blade Simon and Schuster In the mid-1870s, a violent spray of comets hits Earth, decimating cities, erasing shorelines, and changing the world's climate forever. And just as Earth's temperature dropped, so was civilization frozen in time. Instead of advancing technologically, humanity had to piece itself back together. . . . In the twenty-first century, boats still run on steam, messages arrive by telegraph, and the British Empire, with its capital now in Delhi, controls much of the world. The other major world leader is the Czar of All the Russias. Everyone predicts an eventual, deadly showdown. But no one can predict the role that one man, Captain Athelstane King, reluctant spy and hero, will play. . . .

The Sky People Penguin

Gwendolen Ingolfsson, hurled into a parallel Earth filled with billions of unaltered, antique humans when the molehole experiment she was working on malfunctioned, is very clear where her duty lies. As a member of the Draka, genetically engineered to dominate crude, unmodified humans, her task is to build a molehole device in this universe and establish a bridgehead for the Race to come through. It had been some time since the Draka last had such an opportunity for conquest. . . . As for Detective-Lieutenant Henry Carmaggio, he'd seen plenty of blood, both in Cambodia and in twenty years of police work. But he'd never seen anything like this. Something was loose in his city, something inhuman that walked among us, killing with the easy precision of a leopard in a flock of sheep. And unless he could track it down it would kill and kill again - until the whole world was its hunting ground. At the publisher's request, this title is sold without DRM (Digital Rights Management).

For more than fifty years, the Terran Republic and the Terran League have been killing one another. The death toll has climbed ever higher, year after year, with no end in sight. But the members of the Five Hundred, the social elite of the Republic's Heart Worlds, don't care. Rear Admiral Terrence Murphy is a Heart Worlder. His family is part of the Five Hundred. His wife is the daughter of one of the Five Hundred's wealthiest, most powerful industrialists. His sons and his daughter can easily avoid military service, and political power is his for the taking. There is no end to how high he can rise in the Republic's power structure. All he has to do is successfully complete a risk-free military "governorship" in the backwater Fringe System of New Dublin without rocking the boat. But the people sending him to New Dublin have miscalculated, because Terrence Murphy is a man who believes in honor. Who believes in duty—in common decency and responsibility. Who believes there are dark and dangerous secrets behind the façade of what "everyone knows." Terrence Murphy intends to meet those responsibilities, to unearth those secrets, and he doesn't much care what the Five Hundred want. He intends to put a stop to the killing. Terrence Murphy is coming for whoever has orchestrated fifty-six years of bloodshed and slaughter, and Hell itself is coming with him. At the publisher's request, this title is sold without DRM (Digital Rights Management).
