They call me the village spinster. I rather enjoy it. Single and free to dance with the witches under the moonlight whenever I please-what could be better than that? When the day king shows up to take ten changelings as his consorts, I'm happy those selection days are behind me. At least I thought they were. But instead of ten young females, King Solano chooses only one. Me. Emma Druzy, sock darter and 28-year-old spinster of Moonhollow. He takes me to the day realm, a world of sun and beauty the likes of which I've never imagined. Solano is far more than he seems, his wit and his warmth breaking down my walls. But there's danger here, too, the sort that creeps up on you despite the bright light of day. And if I'm not careful, I'll lose my heart to the day king or my life to his enemies.

Three sexy-but-psycho monsters. One fiery, determined witch. And a high-stakes heist about to go very wrong I've made some pretty questionable choices in the name of my witchcraft-dabbling in necromancy, double-crossing vampires-but summoning the dark goddess? That was just plain stupid. Now I'm in her debt, and goddesses don't exactly do payment plans. She wants the blood of the dark fae warlord of Midnight, a realm of exiles where the sun never rises and torture is a competitive sport. It's a death trap only three men have ever escaped--my newly appointed escorts. Jax, a terrifying demon whose icy touch leaves me trembling in more ways than one. Hudson, a hulking, fiercely loyal shifter hiding secrets so painful he barely speaks. And Elian, a cocky fae prick with eyes like molten silver and a heart full of vengeance-a heart that once belonged to me. I'll do anything to settle my debts and get back home, even if it means teaming up with my infuriating ex and the other sinfully hot psychos for the most dangerous blood heist in history. But when it comes to the cruel fae warlord, not even my monsters can protect me. Especially when we discover why the dark goddess really sent us to Midnight.

Now, my monsters and I are prisoners of the dark fae warlord, pawns in his endless war games. But nothing in Midnight is ever what it seems. Not the warlord. Not our enemies. And not the vile magick humming beneath the surface, calling to me in ways I'm ashamed to admit to anyone... Anyone but him. For all his cruelty, my enemy might be the only man who truly understands the darkness inside me. Because deep down, he craves it as badly as I do.
