advertised Other locations Number of
employees Internships offered
United States Statutes at Large

A hallmark of efforts to implement the \$862 billion
Amer. Recovery and Reinvestment Act of 2009
(ARRA) is to be transparent and accountable about
what the money is being spent on and what is being
achieved. To help achieve these goals, recipients
are to report every 3 months on their award
activities and expected outcomes. This report
covers 11 fed. programs focused on broadband,

energy, transport., fed. bldgs., and civil works activities, representing \$67 billion in ARRA funding. The report: (1) describes how the OMB and fed. agencies implemented the act to report funds' uses; and (2) assesses the extent to which descriptions of awards meet transparency criteria. Includes recommendations. Illustrations.
