The following questions are designed to help you remember the credit information just covered in class. directions In the spaces provided, answer each of the following questions about credit: List five things you can do to build a credit history. 1.

## LESSON PLAN - Completing Applications

We would like to show you a description here but the site won ' t allow us.

Section 2--Credit Lesson Plan

Punctuation, capitalization, and spelling rules are presented through applications to demonstrate effective writing that can be easily understood. A variety of literature is used to introduce and practice the grammar topics—fiction and nonfiction. Literature is used to assist in the understanding and application of grammar

principles.
