Find a Review | Consumer Guide Auto

In order to stay current with the latest automotive trends and help consumers select the best vehicle for their needs, the Editors of Consumer Guide® Automotive test drive more than 150 new vehicles each year. We select the top ones in each class as Best Buys. This is our highest ranking.

Consumer Guide Car Stuff Podcast - Home | Facebook

Consumer Guide®'s recommendations for getting better fuel economy may seem like no-brainers, but they really can make a difference. Our strategy is a three-prong approach: Alter your driving style, maintain your vehicle, and modify your driving mentality. Combine any of these tips, and you should start seeing an improvement right away.

### Expert Car Reviews | Consumer Guide Auto | consumerguide.com

Consumer Reports Automotive Ratings also gives a "projected reliability," which shows how well a new model is likely to perform based on owners' experience with the model over the past three years. The Consumer Reports Automotive Ratings also can help you determine whether to purchase a particular used vehicle.
