For any literature project, trust Drama for Students for all of your research needs.
Antiquity Now OUP Oxford

Classics is the study of the culture of the ancient Greeks and Romans, and takes in all aspects of their life and learning. Crompton looks back at these civilization, and shows how many aspects of our own daily lives have been directly influenced by theirs. He shows that a basic knowledge of classics is not only essential, but also incredibly fascinating.

Illuminating Social Life Michael O'Mara Books
Classic and Contemporary Primary Source Readings. Classic Philosophical Questions has presented decades of students with the most compelling classic and contemporary primary source readings on the most enduring and abiding questions in philosophy. Classic Philosophical Questions is a longstanding and highly respected anthology of basic readings in philosophy, taken from ancient, modern, and contemporary sources. For any literature project, trust Novels for Students for all of your research needs.
Spiritual Community Everyman's Library
The Social Pathologies of Contemporary Civilization explores the nature of contemporary malaises, diseases, illnesses and psychosomatic syndromes, examining the manner in which they are related to cultural pathologies of the social body. Multi-disciplinary in approach, the book is concerned with questions of how these conditions are not only manifest at the level of individual patients' bodies, but also how the social 'bodies politic' are related to the hegemony of reductive biomedical and individual-psychologistic perspectives. Rejecting a reductive, biomedical and individualistic diagnosis of contemporary problems of health and well-being, The Social Pathologies of Contemporary Civilization

contends that many such problems are to be understood in the light of radical changes in social structures and institutions, extending to deep crises in our civilization as a whole. Rather than considering such conditions in isolation - both from one another and from broader contexts - this book argues that health and well-being are not just located at the level of the individual body, the integral human person, or even collective social bodies; rather, they encompass the health of humanity as a whole and our relationship with Nature. A ground-breaking analysis of social malaise and the health of civilization, this book will be of interest to scholars of sociology, social theory, social psychology, philosophy and anthropology.

Classics in the Modern World Taylor & Francis
"Classic Philosophic Questions "has presented decades of students with the most compelling classic and contemporary primary source readings on the most enduring and abiding questions in philosophy. "Classic Philosophic Questions "is a longstanding and highly respected anthology of basic readings in philosophy, taken from ancient, modern, and contemporary sources. Issues are treated in a fundamentally open manner with arguments pro and con for the various positions covered. All selections are taken from primary sources, with introductions and study guides to facilitate reading for the beginning student. A unique feature of this book is the list of "think abouts" at the end of most of the readings. These suggest issues raised in the readings that can promote new ways of thinking about themes and concepts. This text offers a comprehensive, first-hand experience of all the major branches of Philosophy. It covers all the fundamentals in philosophy, as opposed to volumes dealing with specialized topics. It draws from the ancient as well as modern and contemporary sources, rather than focusing on one particular historical period. Each reading contains a biographical sketch of the author, and a group of further readings for the student wishing to pursue the issue in greater depth.

Contemporary Classics in the Life Sciences: Cell biology Pearson Higher Ed
Modern disciplinary silos tend to separate the fields of classical philology and theology. This collection of essays, however, explores for the first time the deep and significant interactions between them. It demonstrates how from antiquity to the present they have marched hand in hand, informing each other with method, views of the past and structures of argument. The volume rewrites the history of discipline formation, and reveals how close the seminar is to the seminary.

A Christmas Carol for Teens (Annotated Including Complete Book, Character Summaries, and Study Guide) Rowman & Littlefield
The Great Divorce Bible Study Guide takes readers through a Bible study of the C.S. Lewis classic, The Great Divorce. This 8-week Bible study guide expands upon Lewis' classic allegorical tale where damned spirits are given a vacation or a "holiday" away from Hell to visit Heaven, where they are invited to stay forever.
A Study Guide for Gabriel Garcia Marquez's One Hundred Years of Solitude Brown Chair Books

F. Scott Fitzgerald ’ s extraordinary career as a novelist ended abruptly and unhappily, but it began with one of the most brilliant first novels in the history of American literature. Published when its author was just twenty-three, This Side of Paradise is about the education of a youth, and to this universal story Fitzgerald brought the promise of everything that was new in the vigorous, restless America during the years following World War I. Amory Blaine – egoistic, versatile, callow, and imaginative – inhabits a book that is interwoven with songs, poems, playscripts, and questions and answers. His growth from self-absorption to sexual awareness and personhood is described by means of a continuous improvisatory energy and delight. Far from being distracting, Fitzgerald ’ s formal inventiveness and verve only heighten our sense that the world being described is our own modern world. A profound coherence informs This Side of Paradise – a coherence born of its author ’ s uncanny ability to revel in the fragmented surfaces of human life while exploring and comprehending its serene depths.

Philosophy of Religion Cambridge University Press
The purpose of this book is to identify and analyze modern classics in entrepreneurship research with the goal of highlighting cutting-edge themes in the work of various scholars that are pushing the boundaries of the field, post 2000. As the entrepreneurship field matures, it is important to identify the novel contributions that will help shape the next decades of scholarship, by providing scholars with the concepts, frameworks, and approaches needed to help develop the new theories and practices of entrepreneurship. By focusing on emerging key contributions, this book takes a stance that sets it apart from other similar works by scholars that have focused only on existing themes rather than those that will characterize the relationship between entrepreneurship and new technological advances, growing inequalities, gender, diversity and inclusion, and socio-political shifts in the landscape of entrepreneurial ecosystems, allowing for critical and new conversations on entrepreneurship to take shape. This book will provide discussion on emergent themes and approaches that will

continue to build the future of entrepreneurship as an exciting and rigorous academic discipline.

Classical Philology and Theology Simon and Schuster
A Study Guide for Gabriel Garcia Marquez's "One Hundred Years of Solitude," excerpted from Gale's acclaimed Novels for Students.This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. The Social Pathologies of Contemporary Civilization Gale, Cengage Learning
Virgil became a school author in his own lifetime and the centre of the Western canon for the next 1800 years, exerting a major influence on European literature, art, and politics. This Companion is designed as an indispensable guide for anyone seeking a fuller understanding of an author critical to so many disciplines. It consists of essays by seventeen scholars from Britain, the USA, Ireland and Italy which offer a range of different perspectives both traditional and innovative on Virgil's works, and a renewed sense of why Virgil matters today. The Companion is divided into four main sections, focussing on reception, genre, context, and form. This ground-breaking book not only provides a wealth of material for an informed reading but also offers sophisticated insights which point to the shape of Virgilian scholarship and criticism to come.

Modern Classics in Entrepreneurship Studies Routledge
Classics in the Modern World brings together a collection of distinguished international contributors to discuss the features and implications of a 'democratic turn' in modern perceptions of ancient Greece and Rome. It examines how Greek and Roman material has been involved with issues of democracy, both in political culture and in the greater diffusion of classics in recent times outside the elite classes. By looking at individual case studies from theatre, film, fiction, TV, radio, museums, and popular media, and through area studies that consider trends over time in particular societies, the volume explores the relationship between Greek and Roman ways of thinking and modern definitions of democratic practices and approaches, enabling a wider re-evaluation of the role of ancient Greece and Rome in the modern world.
A Matter of Obscenity State University of New York Press
The study of Greco-Roman civilisation is as exciting and innovative today as it has ever been. This intriguing collection of essays by contemporary classicists reveals new discoveries, new interpretations and new ways of exploring the

experiences of the ancient world. Through one and a half millennia of literature, politics, philosophy, law, religion and art, the classical world formed the origin of western culture and thought. This book emphasises the many ways in which it continues to engage with contemporary life. Offering a wide variety of authorial style, the chapters range in subject matter from contemporary poets' exploitation of Greek and Latin authors, via newly discovered literary texts and art works, to modern arguments about ancient democracy and slavery, and close readings of the great poets and philosophers of antiquity. This engaging book reflects the current rejuvenation of classical studies and will fascinate anyone with an interest in western history.

A Study Guide for Lois Lowry's The Giver Princeton University Press

"A brilliant examination of literary invention through the ages, from ancient Mesopotamia to Elena Ferrante, showing how writers created technical breakthroughs as sophisticated and significant as any in science, and in the process, engineered enhancements to the human heart and mind"--

Stephen King's Contemporary Classics Maggid

To This Very Day John Wiley & Sons

Reimagine the Possibilities for Your Own Congregation We all share a deep human need for meaning in our lives, a need to feel that we are part of something larger than ourselves. Yet many of us have discovered that successful careers, material affluence—even loving families—are not enough to satisfy this longing. And, too often, the congregations and organizations in which we seek greater meaning are uninspiring, or worse. The answer lies in belonging to a strong spiritual community—not just a collection of individuals but a dynamic, integrated congregation linked by commitment and vision, sustained by friendship and shared experience. But how to build it? Informative and encouraging, wise and practical, Spiritual Community looks at congregations and organizations—what they are and what they might become—and reveals the unique role they have the potential to play in refreshing our minds, transforming our hearts and giving our lives meaning. From establishing “ radiant centers ” to welcome people into the heart of the community, to reclaiming the power of ritual, to suggesting strategies for dealing with conflict—Rabbi Teutsch offers practical solutions to challenges congregations commonly face making themselves into spiritual communities. This is essential reading for every spiritual and lay leader—for anyone who wants to transform their congregation or organization into a strong spiritual community.
