E-Books Subject List - University of Miami Ethics in technology is a sub-field of ethics addressing the ethical questions specific to the Technology Age. Some prominent works of philosopher Hans Jonas are devoted to ethics of technology. The subject has also been explored, following the work of Mario Bunge, under the term technoethics

This course examines the relationship between borders, race, and citizenship in a US context. In a

political climate in which phrases such as the “ Refugee Crisis, ” the “ Border War, ” and the so-called “ Muslim Ban, ” have been deployed, it is more important than ever for students to understand the shifting grounds of contemporary immigration policy and its historical genealogy.

In choosing your topic, it is often a good idea to

begin with a subject that you already have some familiarity with. Even if you chose to hire professional help for the paper, writing on a topic you have

knowledge of and interest in will make a much better platform for your ideas, and you will have a better command of the relevant issues pertaining to your topic.
