**Top 5 jobs Navy SEALs take after service | SOFREP**

A contract under seal is a formal contract which does not require any consideration and has the seal of the signer attached. A contract under seal must be in writing or printed on paper. It is conclusive between the parties when signed, sealed, and delivered. Delivery is made either by actually handing it to the other party or by stating an intention that the deed be operative even if it is retained in the possession of the party executing it.

**Contracts Under Seal? - Adams on Contract Drafting**

A sealed contract is also referred to as a special contract, deed, covenant, or specialty contract. It is a formal contract that doesn't require the element of consideration and has a seal of the signer attached to it. A sealed contract itself must be in writing. Once it is signed, sealed, and delivered, it becomes a formal sealed contract.

Special contract Contracts under seal must be in writing or in printed form on paper. These are conclusive documents between the parties once they have been signed, sealed, and delivered. Delivery of the document is made in two ways.

Contract Seal | Narutopedia | Fandom

In the law, a seal affixed to a contract or other legal instrument has had special legal significance at various times in the jurisdictions that recognise it. In the courts of common law jurisdictions, a contract which was sealed was treated differently from other written contracts, although this practice gradually fell out of favour in most of these jurisdictions in the 19th and early 20th century. The legal term seal arises from the wax seal used throughout history for authentication. Original
