## Education Assn

Cases, Problems, and Materials on Contracts is distinguished among other texts by its excellent organization and thorough coverage of the basic themes of contract law. The accessible, straightforward text begins with clear introduction to each section or concept.

Carefully selected cases have been tightly edited for the best effect. Using an engaging problem-oriented approach, students learn contract doctrine by applying their knowledge to short, well-conceived hypotheticals. Offering a flexible organization, the book starts with Offer and Acceptance and moves on to Consideration, however, the book is designed

so courses can easily start with Consideration or Remedies. Its flexibility allows for use in courses in which professors are required to teach sales, yet can also be adapted to avoid teaching the UCC. A manageable length accounts for the book being used in courses of 4, 5, and 6-hour length. The authors have worked closely on all chapters to deliver a seamless revision to this popular text. Key Features of the New Edition: The seventh edition begins with a new chapter containing an expanded introduction to the study of contracts law. Every chapter now includes new introductory material. All chapters, with the exception of chapter one, end with an Assessment section, which consists of multiple choice questions and answers, designed to help the students review the material just learned.

Contracts Wolters Kluwer Law & Business

The examiner-reviewed F4 Practice and Revision Kit provides invaluable guidance on how to approach the exam and contains past ACCA exam questions for you to try. It highlights how to revise for important syllabus areas such as the law of tort, corporate governance and ethics. BPP

### **Concepts and Case Analysis in the Law of Contracts** Career Examination

The Ultimate Guide to the UBE (Uniform Bar Exam) is your “one stop shop” for all things UBE (Uniform Bar Exam). Now administered in over 35 jurisdictions, bar exam takers don’t want to just pass – they want to excel and obtain the highest score possible so they have their choice of UBE jurisdictions. This Guide covers it all - from the basics of what is tested on the UBE, to the best ways to personalize your bar exam study, to the most important of all – how to maximize your score on each of the three sections of the UBE. With over 40 years of combined experience in preparing students to pass the bar exam, Tania Shah, Melissa Hale, and Antonia (Toni) Miceli bring their expertise in the bar exam field directly to you and use actual bar exam answers from real bar examinees to show you exactly what you need to do to pick up points on the UBE! Key features: Whether you are in a new UBE jurisdiction, or one of the original UBE jurisdictions, this guide provides you with a detailed approach to the UBE, combining the authors’ expertise in bar exam preparation with access to actual bar exam answers from real bar examinees that were written during past bar exams and graded by actual bar exam graders. The Ultimate Guide to the UBE shows readers what an actual bar exam answer looks like, rather than just telling them

what the “perfect,” and mostly impossible, essay answer looks like. The material in this book appeals to readers with its straightforward approach, providing outlines, charts, easily digestible content, and good humor to engage readers with what could seem to be overwhelming and dry content. The Ultimate Guide to the UBE is organized and broken down into four sections: First, the Guide introduces the reader to the UBE, including what is tested on the UBE, how it is tested, and how it is scored, before guiding readers into their bar exam study, with tips on memory, time management, and scheduling. Next, the Guide introduces the reader to the Multistate Essay Exam (MEE), which is the essay component of the UBE. After breaking down how to prepare for the MEE, and how to structure an MEE answer, the Guide uses actual MEE questions and actual bar exam answers to take the reader, step by step, through maximizing your MEE score. Readers are given the chance to “be the grader” and learn how to self-assess their own answers to improve their MEE score. The Guide repeats this same process with the Multistate Performance Test (MPT), which is the closed-universe skills portion of the UBE. The Guide next tackles the Multistate Bar Exam (MBE), which is the multiple choice section of the UBE. The Guide focuses on each of the seven MBE subjects in independent chapters, where readers are guided through how to best attack MBE questions in that subject area, which include very detailed answer explanations and strategy pointers. Finally, the Guide provides readers with all of the law needed to answer the actual UBE questions presented in the Guide, including quick reference handouts and charts.

## Career Examination

Addressing the relative newness of the UBE, *The Ultimate Guide to the UBE* provides a detailed approach to the exam, utilizes real students' past bar exam answers (including real bar exam scores), and includes commentary from expert contributors for added insight and perspective on how students can improve their own exam writing scores. In the past decade the UBE has gone from being adopted by merely a few jurisdictions to over 40, including Massachusetts, New York, Illinois, and Texas, and soon Pennsylvania in July of 2022. This encompasses a large percentage of students taking the Bar Exam. It also means that many students, as well as bar prep professionals, have questions about the UBE. We seek to provide one guide that addresses everything anyone would want to know about the UBE, most importantly, how to prepare for it. Melissa Hale, and Antonia (Toni) Miceli, and Tania Shah are experts in bar exam preparation, each having taught in the field for over a decade. As the UBE becomes more prevalent, we encounter more and more people with questions about how the UBE works and how best to prepare for each section of the UBE. This book is intended to be a "one-stop shop" for all things UBE! Professors and students will benefit from: Addressing the relative newness of the UBE, this guide provides a step-by-step process for tackling each section of the exam, utilizing real students' past bar exam answers (including real bar exam scores), and employing expert

contributors' commentary for added perspective. The straightforward approach of this book appeals to students, and includes: outlines, charts, easily digestible content, and good humor to engage students in material that might otherwise seem dry or overwhelming. Above all, students want to see what an actual exam answer looks like, not just be told how to write the "perfect" (and mostly impossible) essay answer. In *The Ultimate Guide to the UBE*, students can see what real bar exam takers did under timed conditions. They can read expert commentary on real bar exam answers, and step into the shoes of a bar exam grader by critiquing real bar exam answers themselves. Students can see, firsthand, what separates a score of 1 from a score of 3 from a score of 6 out of 6, and learn how to push their own score up the grading scale. Memorizing rules separate from the essay-writing process is not a winning strategy; practicing writing an essay while looking up the rules enables students to hone their analysis skills and learn the rules. The online appendices provide all the substantive law students need to complete the questions in this book, allowing students to focus on the skill development piece of bar review, rather than guessing the applicable rule.

**Senior Contracts Examiner** Jones & Bartlett Learning

This book will help investment professionals pass the Investment Company Products/ Variable Contracts Limited Representative Qualifications Examination. McCaulay's Series 6 contains twenty practice exams and a study guide. The sample questions are the type that are most likely to appear on the Series 6 test

---

and are in the same format as those on the exam. The questions are straightforward multiple choice questions with four choices and one best answer. Part I of this book contains the sample exams with a total of 2,000 questions, the equivalent of twenty complete 100-question Series 6 Tests. Each 100-question practice test is followed by the answer key. After the answer key, the practice exam is displayed with the answers shown. The questions by topic are in the same proportion as the topic weightings on the Series 6 Test. Part II of this book has a study guide in outline form. There is a section for each topic covered on the Series 6 Test, including Securities Markets, Investment Securities and Economic Factors; Securities and Tax Regulations; Marketing, Prospecting and Sales Presentations; Evaluation of Customers; Product Information, Investment Company Securities and Variable Contracts; and opening and Servicing Customer Accounts. The study guide includes details on the math formulas needed for the test.

Principal Contracts Examiner Trafford Publishing

A proven resource for high performance, the Siegel's series keeps you focused on the only thing that matters – the exam. The Siegel's series relies on a powerful Q&A format, featuring multiple-choice questions at varying levels of difficulty, as well as essay questions to give you practice issue-spotting and analyzing the law. Answers to multiple-choice questions explain why one choice is correct as well as why the other choices are wrong, to ensure complete understanding. An entire chapter is devoted to teaching you how to prepare effectively for essay exams. The chapter provides instruction, advice, and exam-taking tips that help you make the most of your study time. A wonderful resource for practice in answering the types of questions your professor will ask on your exam, the Siegel's Series will prove valuable in the days or weeks leading up to your final. Features: Exposing you to the types of questions your professor will ask on the exam, Siegel's will prove valuable in the days or weeks leading up to your final. A great number of questions at the appropriate level of difficulty—20 to 30 essay Q&As and 90 to 100 multiple-choice Q&As—provide opportunity for you to

practice spotting issues as you apply your knowledge of the law. Essay questions give you solid practice writing concise essay answers, and the model answers allow you to check your work. An entire chapter is devoted to preparing for essay exams. In checking your answers to multiple-choice questions, you can figure out where you may have erred: Answers explain why one choice is correct and the other choices are wrong. To help you learn to make the most of your study time, the introductory chapter gives instruction, advice, and tips for preparing for and taking essay exams . The table of contents helps you prepare for exams by clearly outlining the topics tested in each Essay question. In addition, you can locate questions covering topics you're having difficulty with by checking the index. Revised by law school professors, the Siegel's Series is updated on a regular basis.
