Social stories and comic strip conversations

Quick Trick #1: The Authority likes to steer the conversation. When speaking in character, I try to interrupt the players and talk over them. I treat the exchange like a flurry of punches: short, forceful jabs building to a knockout conversation ender. "And that's why I'm better than you," is a nice one.

The conversation should be allowed to flow wherever it needs to go (this is one of the key indicators of a role-play that is going well). Why is flexibility so important? Because your rigid plan could go out of the window at a moment's notice if the assessor drops a curve ball into the role-play exercise (which they can and often will do - especially if you're doing well, just to see how ...
