Walsch urges each of us to forge our own unique relationship with God, a God who is everywhere and speaks to us in all we do. It is up to us to stop and listen. It is up to us to respond...to begin the conversation. And a conversation is the first step, just as in any relationship, in establishing trust, in building friendship, in creating communion. In *Friendship with God*, Neale Donald Walsch shares the next part of his journey, and leads us to deepen and strengthen our own bonds with God. Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody.

'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Living in the World with

Honesty, Courage, and Love

Sns - School of the New Spirituality, Incorporated AND GOD SAID... Neale Donald Walsch didn't claim to be special or spiritually gifted. He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart. As he wrote his questions to God, he realized that God was answering them—directly—through Walsch's pen. And the result was a series of witty, provocative, and profound

books that have changed the lives of readers around the world. Here in one handsome volume, with new introductions and afterwords, are the second two books in the Conversations with God series. In Conversations with God 2, Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in Conversation with God 1. The pair discusses time, space, and politics. It is an honest look at some of the broad issues important to all

of us on the planet.

Conversations with God 3, the final book of the original three-book series, contains “universal truths of the highest order, and the challenges and opportunities of the soul.” In this volume, the dialogue expands to include more about the nature of God, about love and fear, about who we are and who we may become. Here is also a profound dialogue about the culture, philosophy, and spirituality of highly evolved beings in other realms of the universe

and how they have learned to view life, love, and the pursuit of happiness. *Conversations with God, Book 4* Hampton Roads Publishing Company The dialogue expands . . . 1995, demand began for tools that would assist parents in teaching the marvelous concepts of this extraordinary dialogue to children. Readers wanted to share with their offspring what CwG had shared with them. "If only I have been introduced to these ways of seeing God and myself when I was 8 or 9, my whole life would have been different" were the words Neale Donald Walsch heard in letter after letter and conversation after conversation. This book is an outgrowth of the School of New Spirituality program. In it, Walsch has joined with Laurie Lankins Farley and Emily A. Fillmore, the directors of the school, to put into one place all the spiritual concepts of a home schooling curriculum. This book makes available for parents not only the tools for teaching CwG's concepts, but a narrative summary of the concepts themselves, to help aid in their home schooling efforts, and help them to use the other tools created by the school with maximum effectiveness. Each chapter is presented in two parts: (1) A narrative for parents that includes background information and interpretative commentary on the spiritual concepts being explored; and (2) Tools with which parents may effectively share these concepts with their children. Together they form a powerful guide for the spiritual teachers of the 21st century, Meditations from Conversations With God, Book 2 Hampton Roads Publishing Company

How to deal with twenty-first century challenges, individually and globally. The Conversations with God books are among the most popular spirituality books published in the past 50 years. They have sold millions of copies in over two dozen languages around the world. For those who seek to explore the nature of God, the universe, and the meaning of existence, here are the questions that everyone wants to ask--and here are the answers that not only make sense, but also speak directly to the heart, with observations that ring true. In the

introduction to Conversations with God, Book 1, Neale Donald Walsch was told that Book 2 "would deal with more global challenges now facing the world." This is a book that looks at the big picture. What is here is a proposed paradigm shift to change the political and spiritual constructs that people have manifested on this planet. This is the challenge of the book: "Now is the time to reclaim yourself. Now is the time to see yourself again as Who You Really Are, and thus, render yourself visible again. For when you, and your true relationship with God, become

visible, then We are indivisible. And nothing will ever divide Us again."
