Just One Cookbook Harmony

100 foolproof pressure-cooker recipes that will change the way you cook. In *Pressure Cooker Perfection*, the first volume in our new test kitchen handbook series, the editors at America's Test Kitchen demystify an appliance that to many home cooks remains intimidating -- but shouldn't. Modern pressure cookers are safer, quieter, more reliable, and more user-friendly than old-fashioned jiggle-top models. And they can prepare a wide range of foods -- everything from barbecue to risotto -- in record time. Cooking under pressure results in better-tasting dishes because every drop of flavor is trapped in the sealed pot. This fact, combined with the shorter cooking time, means that your dishes will be supercharged with flavor. And cooking under pressure is versatile. While they're ideal for roasts and stews, pressure cookers can also turn out perfectly tender beans, grains, and legumes in short order. If ever there was a cooking method that could benefit from the obsessive trial and error that our test kitchen is known for, this is it. When cooking time is compressed, every minute matters, and when flavors are amplified, even a small change becomes significant. We ran hundreds of tests in fifteen pressure cookers to find out what works and what doesn't, and we deliver the foolproof, guaranteed-successful recipes in *Pressure Cooker Perfection*. With this foolproof guide to cooking under pressure, every home cook will be guaranteed success. [Essentials of Classic Italian Cooking](#) Penguin

The ultimate in pressure cooker books--with 500 recipes for breakfasts, soups, mains, grains, vegetables, and desserts--each adapted for stovetop or electric models, such as Instapot. The old-fashioned pressure cooker has been rediscovered by modern home cooks, both for its quick-cooking powers (dried beans are perfectly soft in 35 minutes; risottos are tender in 20 minutes) and for its ability to infuse foods with intense flavor (carrots become sweeter, meat more savory). The *Great Big Pressure Cooker Book* has recipes for every device, stovetop and electric, no matter the manufacturer. Whether you're seeking an adventurous array of spices, found in dishes such as Cherry Chipotle Pulled Chicken or Smashed Sweet Potatoes with Pineapple and Ginger, or pure comfort food, like French Toast Bread Pudding or Classic Pot Roast and Potatoes, you'll find the perfect recipe--each labeled by level of ease--to feed your family. This is the only pressure cooker book you'll ever need.
