Review: Cooking With Fernet Branca by James Hamilton-Paterson

If Cooking With Fernet Branca has a weak spot, it is a rather rushed and chaotic ending - yet not one that is terribly closely related to the farcical misunderstandings. Put a sprinkle of sea salt on top, and cook about 10 minutes, until the garlic and shallot are sizzling and have softened. Put the cleaned mussels into the pan and stir, to get all the flavors combined.

Cooking with Fernet Branca is set in what both of the main characters hope is a quiet, secluded corner of Italy. The two neighbours, Gerald and Martha, both foreigners abroad (Gerald is British, Marta from an Eastern European country in considerable turmoil), each want their peace and quiet -- and were assured they'd get it by the property agent.
