Gerald Samper, an effete English snob, has his own private hilltop in Tuscany where he whiles away his time working as a ghostwriter for celebrities and inventing wholly original culinary concoctions—including ice cream made with garlic and the bitter, herb-based liqueur known as Fernet Branca. But Gerald's idyll is about to be shattered by the arrival of Marta, on the run from a crime-riddled former Soviet republic, as a series of misunderstandings brings this odd couple into ever ...

Review: Cooking With Fernet Branca by James Hamilton-Paterson

If Cooking With Fernet Branca has a weak spot, it is a rather rushed and chaotic ending - yet not one that is terribly closely related to the farcical misunderstandings. It's more just chaos for its own sake and the novel might have been stronger without it. But this is a minor blemish on an otherwise rather wonderful comic novel.

Add the garlic, shallot and cayenne in some olive oil in a large cast-iron pot or Dutch oven on your stovetop. Put a sprinkle of sea salt on top, and cook about 10 minutes, until the garlic and shallot are sizzling and have softened. Put the cleaned mussels into the pan and stir, to get all the flavors combined.
