Past Papers Doing  
past papers is  
always regarded as  
a necessary step to  
gaining confidence.  
At first, past papers  
can be difficult and  
may take a long

time to do, but if you  
stick at them, and do  
them regularly, then  
you should  
gradually notice that  
questions and  
methods become  
familiar the more  
you do.
