CorelDraw MCQ Question with Answer | PDF Download | 2020 ...

CorelDRAW software is a graphic editor which was originally released in 1989 and over the

years, it has undergone several changes for improving its features and performance. If you

are familiar with the software and would like to test your knowledge about it, then all you

need to do is to attempt the following quiz.

If you are an aspiring graphics designer, you must have come across the CorelDraw

application. CorelDraw is made to work with various other programs which are designed to

help make design easier in CorelDraw with its ability to do more with graphic design and

editing outside of the use of geometric primitives. Test your knowledge about CorelDraw

basics by taking up this test!
