Plus Macey on Corporation Law accompanying CD-ROM information package is the ideal research companion to your print volumes.

### The Limited Liability Company Sphinx Publishing

China enjoys the highest level of foreign investment of any country in the world today. Yet, despite substantial liberalization in last decades, investment in China remains tightly circumscribed. For complex reasons stemming from China's protection of its own internal economy, the government hedges foreign investments, either green field Foreign Direct Investment (FDI) or Mergers and Acquisitions (M&As), with a complex system of laws, regulations and

guidelines, bristling with challenges and uncertainties for even the simplest investment or restructurings. This detailed, systematic explanation – by a practicing lawyer with over ten years experience at one of the top law firms in China – provides thorough and up-to-date guidance on the rules and procedures affecting FDI, M&As, and listings in China today. Focusing on such practical matters as key regulations, regulatory requirements, and transactional procedures and structures, the author leads the practitioner through the maze of interconnected national and local authorities, with expert knowledge of when and under what circumstances various rules apply and when they do not as well as practical skills on how to structure a particular deal under current regulations. Included in this superb analysis are detailed descriptions of such factors as the following: • establishment of a new Foreign Invested Enterprise (FIE), including a substantial review of the establishment of both common FIEs (either whole foreign ownership or joint ventures with Chinese parties) and particular FIEs (such as a foreign invested holding company, stock company or partnership); • the cross-border acquisition of a domestic company by foreign investors including the restructuring of existing FIEs by way of domestic re-investment or equity transfer or mergers; • the takeover of a PRC listed company by foreign investors through such ways as a Qualified Foreign Institutional Investor (QFII/RQFII) or strategic investment; • the acquisition of a State-Owned Enterprise (SOE), either listed or non-listed SOE; • the merger control review and national security review involved in an M&A transaction; and • the Initial Public Offering (IPO), follow-on offerings

---

including private placement on Chinese capital market, as well as the issuance of corporate bonds in China. Since the year 2008 when the first edition was published, lots of significant developments were made in regard to the laws and regulations in FDI, M&As and capital market. Such developments and new regulations are given an up-to-date analysis in this second edition. For law firms advising companies on investing in China, or for in-house counsel, this book is without peer as a comprehensive, reliable and easy-to-use resource. At every stage of a project, from the initial business decision to problems arising after successful start-up and during day-to-day operations, it will provide clear, authoritative guidance for years to come.

Learn everything you need to know about successfully starting and running your operation—get paid what you 're worth and don 't spend it all on taxes.

#### Robert's Rules of Order LexisNexis

An emerging question in U.S. business law is how the organizational documents of a business entity set the rules for resolving internal disputes. This practice is routine in commercial contracts, which may specify where or how disputes must be resolved. Recent use of litigation provisions in corporation charters and bylaws have sparked controversy, ultimately leading to legislative action to preserve shareholder suits from contractual waiver. Yet despite accounting for the majority of business organizations and sharing features with corporations, non-corporate business entities and their internal dispute resolution process have been largely ignored. How do these non-corporate entities set ex ante rules for resolving disputes

---

among their constituents? This paper begins to map this uncharted area with an empirical study of the practice of limited liability companies (LLCs). We find widespread use of contract to alter the default dispute resolution practices. This study helps not only to inform the evolving statutory and judicial framework for LLC regulation, but also to predict how corporations may respond in the future to recent judicial and legislative changes.

Macey on Corporation Laws John Wiley & Sons

The Tax Rules Have Changed. Your Business Should, Too. The Tax Cut and Jobs Act of 2017 marks the biggest tax reform in more than 30 years. The changes to the tax code are complex (especially for the small-business owner), but you don't have to go it alone. CPA and Attorney Mark J. Kohler delivers a comprehensive analysis of the new tax and legal structure you desperately need to help make the new tax law work for you. In this revised edition of *The Tax and Legal Playbook*, Kohler reveals clear-cut truths about tax and legal planning and delivers a practical, play-by-play guide that helps you build wealth, save on taxes, and protect your assets. Using real-world case studies, tax-savvy tips, game plans, and discussion points, Kohler coaches you through the complexities of the tax game of the small-business owner. You'll also learn how to:

- Examine your business needs and pick the right business entity for you
- Build your personal and corporate credit in eight steps
- Implement affordable asset protection strategies
- Take advantage of underutilized business tax deductions
- Pick the right health-care, retirement, and estate plans
- Bring on partners and investors the right way
- Plan for your future with self-directed retirement funds

Reading from cover to cover or refer to each chapter as needed, you will come away wiser and better equipped to make the best decisions for your business, your family, and yourself.

closes. Real estate students and practitioners are taken through all of the essential due diligence areas, including: Titles and ownership issues Zoning and land use Liens and mortgages Condition assessments Environmental and operational concerns And lease analysis Throughout the book, major laws and court cases are used to illustrate due diligence issues and provide rich opportunities for classroom study and discussion. Practice points and comprehensive due diligence checklists help readers to go on to put their learning in practice. This book fills a gap in the real estate literature and is perfect for use as a college textbook, a practitioner ' s guide, or for industry training.

What Your CPA Isn't Telling You: Life-changing Tax Strategies Entrepreneur Press

The Limited Liability Company provides authoritative guidance on efficiently forming and expertly advising LLCs. The book and the Digital Access library are filled with practical advice, hundreds of forms, tax considerations, state-by-state analysis, and more. This edition includes state-specific updates pertaining to the Bipartisan Budget Act, which took effect on January 1, 2018 and impacts LLC audit rules. Further, LLCs affected by the Act may need to amend their operating agreements for tax compliance and to insert strategic cash flow provisions. **NEW AND UPDATED STATE-SPECIFIC SECTIONS ALSO INCLUDE DISCUSSIONS ON:** Arizona – The Arizona Limited Liability Company Act (ALLCA) Delaware – Amendments to the Revised Delaware Limited Liability Company Act Delaware – Series LLCs Delaware – Protected Series LLCs Delaware – Registered Series LLCs Delaware – Dividing (Split) LLCs Delaware – Statutory Public Benefit LLCs Delaware – Mergers Delaware – Conversion Nebraska – The Nebraska Uniform Protected Series Act New Hampshire – Dissolution Oregon – Dissolution Oregon – Articles of Organization Tennessee – Series LLCs Utah – The Utah Benefit Limited Liability Company Act Utah – Benefit LLCs Vermont – Blockchain-Based LLCs Virgin Islands – Local Taxation Wyoming – Series LLCs **Get Your Money Back!** Entrepreneur Press

How can I avoid self-employment taxes? This simple question was the inspiration for creating an article describing the benefits of an S Corporation. That original article, which was about four pages long, quickly became a series of KnowledgeBase articles on the Watson CPA Group website. The articles touched on basic topics such as how to elect S Corp status, payroll, reasonable salary determination, retirement planning, health care, fringe benefits and liability protection. Those broad topics demanded much more information, both horizontally by spanning into more related issues, and vertically by digging deeper into the granular yet riveting levels of the tax code. The articles were grouped and relabeled as the Taxpayer ' s Comprehensive Guide to LLCs and S Corps which grew to 39 pages in its first edition. Time marched on, and more information was added to the first edition such as expanded retirement planning concerns, health care options after the Affordable Care Act and business valuations including exit strategies. Boom, we now had our second edition at over 100 pages. At that point it was suggested by some clients and colleagues to convert the PDF into an eBook as well as paperback. So here we are.. Each week we receive several phone calls and emails from small business owners across the country who have read our Taxpayer ' s Comprehensive Guide to LLCs and S Corps and praised the wealth of information. Regardless of your current situation, whether you are considering starting your own business or entertaining a contracting gig, or you are an experienced business owner, the contents of this book are for you. This book will show you how to reduce your self-employment taxes through an S Corporation election and how to use your corporation to your retirement and fringe benefit advantage. You will also learn the operational considerations of an S Corp plus the 185 reasons you should NOT elect S Corp status. Want to buy or sell a business? That ' s

---

in here too. This book is written with the general taxpayer in mind. Too many resources simply regurgitate complex tax code without explanation. While in some cases tax code and court opinions are duplicated verbatim because of the precise words, this book strives to explain many technical concepts in layperson terms with some added humor and opinions. We believe you will find this book educational as well as amusing.
