Peugeot 306 Service and Repair Manual Good Press Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Introduced in 1960, Chevrolet's "Beetle Fighter" looked

like a sure winner. However, in 1965 the Corvair became mired in controversy, due to questions regarding its high speed handling and stability. In spite of this the Corvair has become a highly desired collectible amongst many car enthusiasts. This book covers all of the cars produced, as well as the rise and fall of the Corvair. Included are production figures for each model for all years the Corvair was produced in America and Canada. Also features: year by year spotter's guide, comfort and convenience options and prices when first available, installation rates, power train specifications and contact information for parts vendors, clubs and other resources.
