Fine implies that human rights can be traced back through this broad ideal of cosmopolitanism which focuses on three things (global order, global peace and solidarity). Fine describes global order as this idea that there's a sort of order which exists across the globe, what that order looks like can be different in different instances.

Cosmopolitanism is the idea that all human beings are, or could or should be, members of a single community. Different views of what constitutes this community may include a focus on moral standards, economic practices, political structures, and/or cultural forms. A person who adheres to the idea of cosmopolitanism in any of its forms is called a cosmopolitan or cosmopolite. As an example, Kwame Anthony Appiah suggests the possibility of a cosmopolitan community in which individuals from varying
