Porsche 944 Motorbooks International

This is the complete guide to finding the best available example of the classic front-engined Porsche 944. Insight from real ownership experience is coupled with unparalleled technical knowledge, resulting in the first dedicated guidebook for potential buyers of the Porsche 944. A comprehensive guide, including an inspection checklist that buyers can use when viewing a car, photos of key areas to check, and known issues for each model, and an overview of key specifications and potential upgrades. Market and value data are also supplied to help give an idea of what a specific Porsche 944 is worth. From whether a Porsche 944 is a suitable car for you, to the cost considerations to be taken into account when searching for and viewing a used model, the authors' aim to arm the prospective buyer with enough knowledge and insight to be able to view a used Porsche 944, and quickly assess its quality, before considering whether to make a purchase. Take the first step towards finding your dream car, by reading this guide today.

Porsche 911 Engine Assembly Guide Trafford Publishing

This resource explains how to rebuild and modify transmissions from both rear- and front-wheel-drive cars. It explains the principles behind the workings of all manual transmissions, and helps readers understand what they need to do and know to rebuild their own transmissions. Includes how to determine what parts to replace; how and why to replace certain seals, spacers, springs, forks, and other parts; and where to find (and how to measure) the specifications for each particular transmission.

Porsche 911 Carrera 3.2 Motorbooks

This volume starts with the introduction of the SC series and the 3.3 litre Turbo, before going on to cover the 3.2 litre Carreras and the early 959. A process of continuous evolution has kept the 911 fresh for nearly 40 years, while impeccable build quality has ensured that most of even the very earliest cars have survived as desirable and usable classics. This is the third volume of a set of books which will chronicle in definitive depth the history of the evergreen 911, from the earliest design studies to the water-cooled cars of today.

Sports Car Market magazine - June 2008 Keith Martin

Boating Independently Published

Often overlooked by the staunchest Porsche enthusiasts, the 914 nevertheless continues to grow in popularity among club racers, entry-level collectors, and those who simply want a fun and relatively cheap sports car. This book covers 914 restorations and modifications, whether the goal is a restored stocker, modified street car, or a club racer. A history of the model traces the evolution of the Volkswagen-Porsche collaboration through the mid-1970s, while explaining what to look for when buying a 914 and what to do with it once purchased. Chapters are devoted to repair and restoration and modifications of body and trim, interiors, lighting and electrical, suspension, brakes, engines, fuel systems, transmission, wheels and tires, and detailing for concours participation.
