Cost Accounting Prentice Hall
Cost accounting provides key data to managers for planning and controlling, as well as costing products, services, even customers. Cost Accounting, 16e focuses on how this discipline would help managers make better decisions, as cost accountants are increasingly becoming integral members of company’s decision-making teams. In order to emphasize this prominence in decision making, the authors have used the ‘different costs for different purposes’ theme throughout this book. By focusing on basic concepts, analyses, uses and procedures instead of procedures alone, they have recognized cost accounting as a managerial tool for business strategy and Horngren's Cost Accounting Ginn Press
