Successful study strategies and up-to-date information on the licensure process is also included.

Ota Exam Review for the Nbcot Cota Certified Occupational Therapy Assistant Test Therapyed

Providing an overview of the profession and the practice of occupational therapy, this new edition offers updated information on adult, geriatric, pediatric, and mental health practice. New review questions are included in each chapter along with additional case studies and student activities added throughout.

Occupational Therapy Practice Framework Elsevier Health Sciences
The Framework, an official AOTA document, presents a summary of interrelated constructs that define and guide occupational therapy practice. The Framework was developed to articulate occupational therapy's contribution to promoting the health and participation of people, organizations, and populations through engagement in occupation. The revisions included in this second edition are intended to refine the document and include language and concepts relevant to current and emerging occupational therapy practice. Implicit within this summary are the profession's core beliefs in the positive relationship between occupation and health and its view of people as occupational beings. Numerous resource materials include a glossary, references and a bibliography, as well as a table of changes between the editions.

John Wiley & Sons

Ot Exam Practice Questions & Review for the Nbcot Otr Occupational Therapist Registered Test

NBCOT

What if you finally had what you needed to pass the NBCOT® exam? OT Exam Insights provides a holistic and comprehensive approach that fills the gap in current study tools available. Did you know that

stress and anxiety are common culprits of exam failure? This book addresses these issues head-on and will provide you with the tools you need to ensure stress and anxiety do not prevail. This book will also improve your ability to analyze questions so you can actually determine: What is this question really asking? OT Exam Insights, broken down into three parts, will help any student ace their occupational therapy exam: Part 1 covers strategies to help you manage anxiety and actualize your true potential, so you can do your best on the exam. Part 2 covers principles of analysis of exam questions, so you better understand what is expected in the exam and know how to answer the questions. Part 3 includes practice test questions with detailed rationales and reflections to help you apply analysis strategies. OT Exam Insights will provide: Worksheets to keep you focused. Mindfulness, relaxation, and cognitive behavioral exercises to foster a positive mindset. Tools and reflections to help you analyze questions and think more critically. Two, four-part clinical simulation questions. 100 multiple-choice questions. Detailed rationales and reflections to explain questions.
