NEW YORK TIMES BESTSELLER • The inspiration for Impeachment: American Crime Story on FX The definitive account of the Clinton-Lewinsky sex scandals, the extraordinary ordeal that nearly brought down a president—with a new preface by the author that reframes the events in light of the Me Too movement “ A story as taut and surprising as any thriller . . . [an] unimpeachable page-turner. ” —People First published a year after the infamous impeachment trial, this propulsive narrative captures the full arc of the Clinton sex scandals—from their beginnings in a Little Rock hotel to

their culmination on the floor of the United States Senate with only the second vote on presidential removal in American history. Rich in character and fueled with the high octane of a sensational legal thriller, A Vast Conspiracy has indelibly shaped our understanding of this disastrous moment in American political history.

The Big White Lie Simon and Schuster

In Killing Hope, William Blum, author of the bestselling Rogue State: A Guide to the World's Only Superpower, provides a devastating and comprehensive account of America's covert and overt military actions in the world, all the way from China in the 1940s to the invasion of Iraq in 2003 and - in this updated edition - beyond. Is the United States, as it likes to claim, a global force for democracy?

Killing Hope shows the answer to this question to be a resounding 'no'.

[A Book for All Readers](#) Harper Collins

"Distills 15 years of scientific study of nonverbal communication and the clues to deception. Mr. Ekman {is} a pioneer in emotions research and nonverbal communication. . . . Accurate, intelligent, informative,

and thoughtful".--Carol Z. Malatesta, New York Times Book Review. Photographs.

The book of lies Fidelis Publishing. LLC

Fantasy meets crime caper in the first book of a landmark, enduringly popular epic series about a roguish group of conmen, which George R. R. Martin has called "fresh, original, and engrossing . . . gorgeously realized." An orphan's life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges relentless danger, becoming a thief under the tutelage of a gifted con artist. As leader of the band of light-fingered brothers known as the Gentlemen Bastards, Locke is soon infamous, fooling even the underworld's most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying.

Heroes Proved Macmillan + ORM

There is absolutely nothing more fun than lying confidently about history. Lying is incredibly fun. In fact, the only thing that feels better than lying to someone is lying to someone, then regaining their trust, and then lying to them again. This book, for example, was promised to be released in April 2016. But that was a lie. The plan was always October 2018. Because, you know, now

is a time in history when lying openly gets you elected to office. In this book, you will find plenty of plausible but completely unverifiable nonsense. Almost like watching Fox News but with a better sense of humour. Hopefully, it will teach you much about nothing other than the true joy of lying to people. Honestly, there has never been a better moment in history to be a liar. We have reached a point where truths have become lies and lies are now the truth. So learn from the greatest and get inspired by the best lies in history. *NB: Most profits from this book are going to finance railway infrastructure under the English Channel. Contains strong language.

Did Ollie North Lie? Canelo

As seen on Hannity "We Didn't Fight for Socialism brings many powerful voices to bear against America's greatest threat. I spent nearly forty years opposing foreign enemies only to realize freedom's adversaries have been raised right here. My friends Ollie North and David Goetsch have delivered what may be the most important book you'll read this year." – LTG William G. "Jerry" Boykin – U.S. Army (Ret.), executive director of Family Research Council and author of Man to Man. Veterans we interviewed and surveyed for this book as well as veterans we have talked to over the years made it clear they did not join the military

to fight for socialism. Many of the veterans interviewed and surveyed for this book said they served in the military because they loved the freedom and opportunity afforded them by our country as well as the values that have long characterized America. To them, America has always been the good guy in the community of nations. A socialist America, in the eyes of these veterans, will no longer be a good guy.

In Dark Water Penguin

In the past, one of the most cherished American values was the truth. When people dealt with dilemmas, issues, opinions, and decisions, their first question was "What is the truth in this situation?" Now people are concerned only with what they think, feel, and want. We have lost touch with the importance of truth in our lives. This reality has resulted in a society in abject turmoil and confusion. Perhaps the greatest failure of the American school system is in turning out generations without the ability to carefully think through what they see, read, and hear. This book is the path for our return to truth.

Stranger Than Truth Turtleback

A fully updated and revised edition of the book USA Today called "jim-dandy pop history," by the bestselling, American Book Award-winning

author "The most definitive and expansive work on the Lost Cause and the movement to whitewash history." –Mitch Landrieu, former mayor of New Orleans From the author of the national bestseller *Lies My Teacher Told Me*, a completely updated—and more timely than ever—version of the myth-busting history book that focuses on the inaccuracies, myths, and lies on monuments, statues, national landmarks, and historical sites all across America. In *Lies Across America*, James W. Loewen continues his mission, begun in the award-winning *Lies My Teacher Told Me*, of overturning the myths and misinformation that too often pass for American history. This is a one-of-a-kind examination of historic sites all over the country where history is literally written on the landscape, including historical markers, monuments, historic houses, forts, and ships. New changes and updates include: • a town in Louisiana that was the site of a major but now-forgotten enslaved persons' uprising • a totally revised tour of the memory and intentional forgetting of slavery and the Civil War in Richmond, Virginia • the hideout of a gang in Delaware that made money by kidnapping free blacks and selling them into slavery Entertaining and enlightening, *Lies Across America* also has a serious role to play in contemporary debates about white supremacy and Confederate memorials.

Counterfeit The New Press

An epic stand-alone adventure in Erin Hunter's #1 nationally bestselling Warriors series! Set just after the events of Warriors #6: The Darkest Hour, this Super Edition follows the ThunderClan leader Firestar on a quest to uncover a long-forgotten truth. Join the legion of fans who have discovered the epic adventures, fierce warrior cats, and thrilling fantasy world of the mega-bestselling Warriors series. This stand-alone entry is perfect for new readers and dedicated fans alike.

American Heroes Random House

The story of Oliver Twist - orphaned, and set upon by evil and adversity from his first breath - shocked readers when it was published. After running away from the workhouse and pompous beadle Mr Bumble, Oliver finds himself lured into a den of thieves peopled by vivid and memorable characters - the Artful Dodger, vicious burglar Bill Sikes, his dog Bull's Eye, and prostitute Nancy, all watched over by cunning master-thief Fagin. Combining elements of Gothic Romance, the Newgate Novel and popular melodrama, Dickens created an entirely new kind of fiction, scathing in its indictment

of a cruel society, and pervaded by an unforgettable sense of threat and mystery.

We Didn't Fight for Socialism Fearon

"Every teacher, every student of history, every citizen should read this book. It is both a refreshing antidote to what has passed for history in our educational system and a one-volume education in itself." -Howard Zinn A new edition of the national bestseller and American Book Award winner, with a new preface by the author Since its first publication in 1995, *Lies My Teacher Told Me* has become one of the most important—and successful—history books of our time. Having sold nearly two million copies, the book also won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti-Racist Scholarship and was heralded on the front page of the New York Times. For this new edition, Loewen has added a new preface that shows how inadequate history courses in high school help produce adult Americans who think Donald Trump can solve their problems, and calls out academic historians for abandoning the concept of truth in a misguided effort to be "objective." What started out as a survey of the twelve leading American history textbooks has ended up being what the San Francisco Chronicle calls "an extremely convincing plea for truth in education." In *Lies My Teacher Told Me*, James

W. Loewen brings history alive in all its complexity and ambiguity. Beginning with pre-Columbian history and ranging over characters and events as diverse as Reconstruction, Helen Keller, the first Thanksgiving, the My Lai massacre, 9/11, and the Iraq War, Loewen offers an eye-opening critique of existing textbooks, and a wonderful retelling of American history as it should—and could—be taught to American students.

Counterfeit Lies Simon and Schuster

For the first time, Oliver North tells the whole story of his life. In this candid, revealing book, the man who has been at the center of the controversy called 'Iran-contra' details what he did and why he did it. With a cast of characters that includes William Casey, Ronald Reagan, Bud McFarlane, John Poindexter, and George Bush, *Under Fire* is an astonishing look at how Washington's wheels of power turn.

Angle of Repose The New Press

Stegner's Pulitzer Prize-winning novel of personal, historical, and geographic discovery *Confined* to a wheelchair, retired historian Lyman Ward sets out to write his grandparents' remarkable story, chronicling their days spent carving civilization into the surface of America's western frontier. But his research reveals even more about his own life than he's willing to admit. What

emerges is an enthralling portrait of four generations in the life of an American family. "Cause for celebration . . . A superb novel with an amplitude of scale and richness of detail altogether uncommon in contemporary fiction." —The Atlantic Monthly "Brilliant . . . Two stories, past and present, merge to produce what important fiction must: a sense of the enchantment of life." —Los Angeles Times This Penguin Classics edition features an introduction by Jackson J. Benson. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Lies My Teacher Told Me Pelican Publishing Company, Inc.

Now a NETFLIX feature film starring Haley Lu Richardson! Timing is everything in this romantic novel about family connections, second chances, and

first loves. Set over a twenty-four-hour-period, Hadley and Oliver find that true love can be found in unexpected places. Today should be one of the worst days of Hadley Sullivan's life. Having just missed her flight, she's stuck at the airport and late to her father's wedding, which is taking place in London and involves a soon-to-be stepmother Hadley's never even met. Then she happens upon the perfect boy in the airport's cramped waiting area. His name is Oliver, he's British, and he's sitting in her row.... A long night on the plane passes in the blink of an eye, and Hadley and Oliver lose track of each other in the airport chaos upon arrival. Can fate intervene to bring them together once more?

Oliver Twist Illustrated Del Rey

Readers in themes of Mystery, Science Fiction, Suspense, and Adventure make reading accessible for every student. Students can easily relate to and identify with the young-adult main characters and develop a connection with the text.

Did Ollie North Really Lie? University Press of Kansas

In the year 2032, America is supposedly safe from terror, Iranian nuclear weaponry is no longer a threat, and the United Nations' treaties and technologies are keeping the peace. Then a suicide bomber targets Houston, Texas and a famous physicist is

kidnapped. The ensuing search by a decorated U.S. Marine war hero and veteran of special ops, not only places the physicist's family in grave danger, but exposes an even more ominous threat to the country, moreso than any threat in its history.

Counterfeit Fidelis Publishing. LLC

Discover Lachlan Page's *Magical Disinformation*: a spy action-thriller with a satirical edge set amongst the Colombian peace process. Described by one reviewer as "Our Man in Havana meets A Clear and Present Danger." Oliver Jardine is a spy in Colombia, enamoured with local woman Veronica Velasco. As the Colombian government signs a peace agreement with the FARC guerrillas, Her Majesty's government decides a transfer is in order to focus on more pertinent theatres of operation. In a desperate attempt to remain in Colombia, Jardine begins to fabricate his intelligence reports. But the consequences soon take on a life of their own. In the era of 'fake news' in the land of magical realism, fiction can be just as dangerous as the truth.

Oliver North's Pack of Lies The New Press
Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

Lies My Teacher Told Me Simon and Schuster
Major Motion Picture based on *Dark Alliance* and starring Jeremy Renner, "Kill the Messenger," to be released in Fall 2014
In August 1996, Pulitzer

Prize-winning journalist Gary Webb stunned the world died in 2004.

with a series of articles in the San Jose Mercury News reporting the results of his year-long investigation into the roots of the crack cocaine epidemic in America, specifically in Los Angeles. The series, titled "Dark Alliance," revealed that for the better part of a decade, a Bay Area drug ring sold tons of cocaine to Los Angeles street gangs and funneled millions in drug profits to the CIA-backed Nicaraguan Contras. Gary Webb pushed his investigation even further in his book, *Dark Alliance: The CIA, The Contras, and the Crack Cocaine Explosion*. Drawing from then newly declassified documents, undercover DEA audio and videotapes that had never been publicly released, federal court testimony, and interviews, Webb demonstrates how our government knowingly allowed massive amounts of drugs and money to change hands at the expense of our communities. Webb's own stranger-than-fiction experience is also woven into the book. His excoriation by the media—not because of any wrongdoing on his part, but by an insidious process of innuendo and suggestion that in effect blamed Webb for the implications of the story—had been all but predicted. Webb was warned off doing a CIA expose by a former Associated Press journalist who lost his job when, years before, he had stumbled onto the germ of the "Dark Alliance" story. And though Internal investigations by both the CIA and the Justice Department eventually vindicated Webb, he had by then been pushed out of the Mercury News and gone to work for the California State Legislature Task Force on Government Oversight. He

The Lies of Locke Lamora Feral House
Chronicles the "War on Terrorism" from the 2001 terrorist attacks in the United States to the conflicts in Afghanistan and Iraq, highlighting the contributions and achievements of U.S. military personnel.
