Taking a practical, hands-on approach, Kauffman/Rybicki's LEGAL ETHICS, 4th edition, equips you with a solid grasp of the ethical rules that apply in the legal setting. Comprehensive yet easy to understand, this engaging book provides a thorough and substantive analysis of the major principles that affect how the practice of law is regulated. Packed with real-world examples of lawyer and non-lawyer instances of misconduct, current and classic case law, discussions of famous (and infamous) people and up-to-date stats on the paralegal job market and compensation, this straightforward book brings chapter concepts to life as it demonstrates how courts interpret and apply ethical rules to lawyers and their non-lawyer employees. It's an excellent resource for first-year college students, career-changers and adult learners. The Book of Majors 2014 by The College Board helps students answer these questions: What's the major for me? Where can I study it? What can I do with it after graduation? Revised and refreshed every year, this book is the most comprehensive guide to college majors on the market. In-depth descriptions of 200 of the most popular majors are followed by complete listings of every major offered at more than 3,800 colleges, including four-year and two-year colleges and technical schools. The 2014 edition covers every college major identified by the U.S. Department of Education—over 1,200 majors are listed in all. This is also the only guide that shows what degree levels each college offers in a major, whether a certificate, associate, bachelor's, master's or doctorate. The guide features: • insights—from the professors themselves—on how each major is taught, what preparation students will need, other majors to consider and much more. • updated information on career options and employment prospects. • the inside scoop on how students can find out if a college offers a strong program for a particular major, what life is like for students studying that major, and what professional societies and accrediting agencies to refer to for more background on the major.

The NALA Manual for Paralegals and Legal Assistants: A General Skills & Litigation Guide for Today's Professionals Fourth Edition (previously titled "The NALA Manual for Legal Assistants") is designed to serve as a quick reference guide for working legal assistants, to be used by schools as a textbook for intro courses and reference material, and to assist legal assistants preparing to take the Certified Legal Assistant examination. It is a collection of proven techniques and procedures used by paralegals nationwide. The techniques described are examples of successful solutions to actual assignments accomplished by working legal assistants. They may be used as starting points from which changes, adaptations, and modifications may be made by legal assistants in similar situations.

Florida Bar Exam Essay Prep Lulu.com

Deregulating the legal profession will benefit society by improving access to legal services and the efficacy of public policies. Lawyers dominate a judicial system that has come under fire for limiting access to its services to primarily the most affluent members of society. Lawyers also have a pervasive influence throughout other parts of government. This is the first book offering a critical comprehensive overview of the legal profession's role in failing to serve the majority of the public and in contributing to the formation of inefficient public policies that reduce public welfare. In *Trouble at the Bar*, the authors use an economic approach to provide empirical support for legal reformers who are concerned about their own profession. The authors highlight the adverse effects of the legal profession's self-regulation, which raises the cost of legal education, decreases the supply of lawyers, and limits the public's access to justice to the point where, in general, only certified lawyers can execute even simple contracts. At the same time, barriers to entry that limit competition create a closed environment that inhibits valid approaches to analyzing and solving legal problems that are at the heart of effective public policy. Deregulating the legal profession, the authors argue, would allow more people to provide a variety of legal services without jeopardizing their quality, reduce the cost of those services, spur competition and innovation in the private sector, and increase the quality of lawyers who pursue careers in the public sector. Legal practitioners would enjoy more fulfilling careers, and society in general and its most vulnerable members in particular would benefit greatly.

Guide to LIC Assistant Prelim & Main Exam 2019 with 3 Online Tests JIST Works

How the attorney-client relationship favors the privileged in criminal court—and denies justice to the poor and to working-class people of color The number of Americans arrested, brought to court, and incarcerated has skyrocketed in recent decades. Criminal defendants come from all races and economic walks of life, but they experience punishment in vastly different ways. *Privilege and Punishment* examines how racial and class inequalities are embedded in the attorney-client relationship, providing a devastating portrait of inequality and injustice within and beyond the criminal courts. Matthew Clair conducted extensive fieldwork in the Boston court system, attending criminal hearings and interviewing defendants, lawyers, judges, police officers, and probation officers. In this eye-opening book, he uncovers how privilege and inequality play out in criminal court interactions. When disadvantaged defendants try to learn their legal rights and advocate for themselves, lawyers and judges often silence, coerce, and punish them. Privileged defendants, who are more likely to trust their defense attorneys, delegate authority to their lawyers, defer to judges, and are rewarded for their compliance. Clair shows how attempts to exercise legal rights often backfire on the poor and on working-class people of color, and how effective legal representation alone is no guarantee of justice. Superbly written and powerfully argued, *Privilege and Punishment* draws needed attention to the injustices that are perpetuated by the attorney-client relationship in today's criminal courts,

and describes the reforms needed to correct them.
