The Lion HarperChristian + ORM

The Faith Freedom Trilogy, sequel to the Crown Covenant Series, chronicles new generations of the M'Kethe family who find freedom in 18th-century America. Adventure is afoot as Old World tyrannies clash with New World freedoms. Douglas Bond weaves together fictional characters with historical figures from Scottish and American history.

The David Story: A Translation with Commentary of 1 and 2 Samuel Baker Books

After the death of Gustavus Adolphus, his chancellor Axel Oxenstierna assumed overall command and led the Swedish army to victory in the Thirty Years War.

The Lion of Janina Oxford University Press

Transported to a medieval realm of magic and myth, a World War II resistance fighter undertakes a perilous quest in this classic fantasy adventure. Holger Carlsen is a rational man of science. A Danish engineer working with the Resistance to defeat the Nazis, he is wounded during an engagement with the enemy and awakens in an unfamiliar parallel universe where the forces of Law are locked in eternal combat with the forces of Chaos. Against a medieval backdrop, brave knights must take up arms against magical creatures of myth and faerie, battling dragons, trolls, werewolves, and giants. Though Holger has no recollection of this world, he discovers he is already well-known throughout the lands, a hero revered as a Champion of Law. He finds weaponry and armor awaiting him—precisely fitted to his form—and a shield with three hearts and three lions emblazoned upon it. As he journeys through a realm filled with wonders in search of the key to his past, Holger will call upon the scientific knowledge of his home dimension, the destinies of both worlds hanging in the balance. Before Thomas Covenant, Roger Zelazny's Amber, and J. R. R. Tolkien's The Lord of the Rings, the great Poul Anderson introduced readers to the Middle World and the legendary hero Ogier the Dane. Inventive and exciting, Three Hearts and Three Lions is a foray into fantasy that employs touches of science fiction from an award-winning master of the speculative.

The Lion of War Collection Zondervan

Two novels from Cliff Graham's historical fiction series are now available in one collection! Day of War In ancient Israel, at the crossroads of the great trading routes, a man named Benaiah is searching for a fresh start in life. He has joined a band of soldiers led by a warlord named David, seeking to bury the past that refuses to leave him. Their ragged army is disgruntled and full of reckless men. Some are loyal to David, but others are only with him for the promise of captured wealth. While the ruthless and increasingly mad King Saul marches hopelessly against the powerful Philistines, loyal son Jonathan in tow, the land of the Hebrew tribes has never been more despondent—and more in need of rescue. Over the course of ten days, from snowy mountain passes to sword-wracked battlefields, Benaiah and his fellow mercenaries must call upon every skill they have to survive and establish the throne for David—if they don't kill each other first. Covenant of War The year is 993 BC. After years of bloody civil war, Eleazar son of Dodai, one of King David's most elite warriors, wants nothing more than to finally live peacefully in the land. But on the plains near the Great Sea, a terrifying army of Philistines has mobilized to crush the Hebrew tribes once and for all. In the sun-drenched valleys and dark forests of the hill country, Eleazar and his warriors make their stand against Israel's deadliest enemy. The fate of an entire nation rests on the courage of a small band of heroes known as the Mighty Men. In a land torn by conflict, depleted by drought and threatened by treachery, the horrors and heroism of the ancient battlefields come to life. Covenant of War is the second book in the Lion of War series—the intense, gritty, and stylistic portrayal of the Mighty Men of Israel, a rag-tag band of warriors who came to King David in his most desperate hour and fought with him while he claimed the throne he was destined to fill. Their legendary deeds are recorded in 2 Samuel 23 and 1 Chronicles 11.

Three Hearts and Three Lions Alpha Edition

Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

Revelation Del Rey

An epic story set in the Bronze Age brings to life ancient history in a civilization reminiscent of the Greeks and follows the conquest of a legendary city. Original.

Covenant of War Del Rey

In Their Darkest Hour, Where Would Hope Be Found? In one life-changing moment, the lives of the exiles in Babylon are thrown into despair when a decree from the king's palace calls for the annihilation of every Jewish man, woman, and child throughout the empire in less than one year. Ezra, a quiet but brilliant scholar, soon finds himself called upon to become the leader of his people. Forced to rally an army when all his training has been in the Torah, he struggles to bring hope in a time of utter despair, when dreams of the future--of family and love--seem impossible. In Keepers of the Covenant, acclaimed novelist Lynn Austin weaves together the struggles and stories of both Jews and Gentiles, creating a tapestry of faith and doubt, love and loss. Here, the Old Testament comes to life, demonstrating the everlasting hope displayed in God's unwavering love for His people. Praise of Lynn Austin's Restoration Chronicles "...a powerful new historical series that brings the Old Testament books of Ezra and Nehemiah to life." --Library Journal "Austin shines a bright light on ancient Jewish life and lands. Biblical fiction fans will cheer her latest offering, which bolsters this challenging genre." --Publishers Weekly

Guns of Thunder Baker Books

LIONS OF THE DESERT is the true story of the WWII 1941-1942 Desert War in North Africa and Operation Condor, a story that has captivated the minds of authors, historians, and filmmakers for three-quarters of a century. The story is told through the eyes of six legendary historical figures that lived through the epic events: Scottish Colonel David Stirling, leader of the Special Air Service, a brigade of eccentric desert commandos that raided Axis airfields and supply lines; German Field Marshal Erwin Rommel, commander of the vaunted Africa Corps, who very nearly succeeded in driving the British out of Egypt; Egyptian Hekmat Fahmy, the famous belly dancer, regarded as a Mata-Hari-like German agent in previous accounts but in fact a far more intriguing and ambiguous character in real life; Major A.W. Sansom, head of the British Field Security unit that hunted down Axis spies

and pro-German Egyptian nationalists operating in Cairo; Johannes Eppler, the notorious German spy of Operation Condor whose real story is finally told; and Colonel Bonner Fellers, the U.S. military attaché in Cairo, who was privy to Allied secrets in the North African theater and inadvertently played an important role in intelligence-gathering activities for both sides in the campaign. Fans of Beneath A Scarlet Sky, The English Patient, and the WWII novels of Ken Follett (The Key to Rebecca, Jackdaws, The Eye of the Needle) will enjoy this timeless tale of WWII espionage, romance, and derring-do in the North African desert--with the knowledge that this is how it all really happened.

Minesweeper (Special Forces, Book 2) InterVarsity Press

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

The Illearth War W. W. Norton & Company

While the war between the Alliance (comprised of expatriated soldiers from the United States, England, France, and Australia) and the Resistance (a union of European and Asian countries focused on world conquest) rages, the genetically modified species wage their own battles. Through the bloodshed, one antihero has risen to power; Cougar Reed. Now 19 years old, Cougar is married and his young wife is with a child. Joining Cougar's ever-growing list of enemies is Taipan; the most powerful Timere ever created. Cougar must maintain his focus on the war, while at the same time dealing with the extremely lethal enemies that have aligned against him. As the conflict escalates the price of the war continues to grow. Casualties pile up and dreams are fulfilled while others die a painful death. Now a new Timere has awakened into the world; the Mistress of Death... Black Widow. The gears of war will not cease to allow the young Reed time to catch his breath. His old nemesis is still alive and the Pride is more lethal than before.

"Covenant is [Stephen R.] Donaldson's genius!" —The Village Voice He called himself Thomas Covenant the Unbeliever, because he dared not believe in this strange alternate world on which he suddenly found himself. Yet the Land tempted him. He had been sick; now he seemed better than ever before.

Through no fault of his own, he had been outcast, unclean, a pariah. Now he

was regarded as a reincarnation of the Land's greatest hero—Berek Halfhand—armed with the mystic power of White Gold. That power alone could protect the Lords of the Land from the ancient evil of the Despiser, Lord Foul. Except that Covenant had no idea how to use that power. . . .

Song of War (Lion of War Series) D A W Books, Incorporated

Bestselling Author Lynn Austin Launches New Biblical Saga After years of watching his children and grandchildren wander from their faith, Iddo's prayers are answered: King Cyrus is allowing God's chosen people to return to Jerusalem. Jubilant, he joyfully prepares for their departure, only to learn that his family, grown comfortable in the pagan culture of Babylon, wants to remain. Zechariah, Iddo's oldest grandson, feels torn between his grandfather's ancient beliefs and the comfort and success his father enjoys in Babylon. But he soon begins to hear the voice of God, encouraging him to return to the land given to his forefathers. Bringing to life the biblical books of Ezra and Nehemiah, *Return to Me* tells the compelling story of Iddo and Zechariah, the women who love them, and the faithful followers who struggle to rebuild their lives in obedience to the God who beckons them home.

A Shattered Peace Anchor

Was there a meaningful stellar sign over Bethlehem? What did it look like to someone looking up at the night sky? Did wise men really come from the East seeking Israel's Messiah sometime after the birth of Jesus? The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia. Important aspects of Babylonian astronomy seem to be involved in understanding the star's appearing. But in addition, *The Lion Led the Way* also explores the men and events from a profoundly Jewish perspective. The traditional Jewish names of stars and planets, Jewish symbols, as well as Jewish dates, all seem to be keys to unlocking the mystery of the famous star. The star of Bethlehem was not the brightest of the heavenly lights, nor was it the most spectacular starry manifestation of all time. However, it was part of the most meaningful set of celestial events in human history. The God of Israel is surprising. His ways are not our ways; his thoughts are not our thoughts. The star gives us a concrete example of God's intervention in the universe. Book website: www.star-of-bethlehem.info

WINNER OF THE JEWISH QUARTERLY WINGATE PRIZE 10 WOMEN TO WATCH IN 2017--BookPage A New York Times Notable Book of 2017 After one night's deadly mistake, a man will go to any lengths to save his family and his reputation. Neurosurgeon Eitan Green has the perfect life--married to a beautiful police officer and father of two young boys. Then, speeding along a deserted moonlit road after an exhausting hospital shift, he hits someone. Seeing that the man, an African migrant, is beyond help, he flees the scene. When the victim's widow knocks at Eitan's door the next day, holding his wallet and divulging that she knows what happened, Eitan discovers that her price for silence is not money. It is something else entirely, something that will shatter Eitan's safe existence and take him into a world of secrets and lies he could never have anticipated. *WAKING LIONS* is a gripping, suspenseful, and morally devastating drama of guilt and survival, shame and desire from a remarkable

young author on the rise.

If a Lion Could Talk Canongate Books

New York Times bestselling author Stephen R. Donaldson presents the first novel of the four-volume finale to the series that's become a modern fantasy classic: *The Chronicles of Thomas Covenant*. Thomas Covenant lost everything. Abandoned by his wife and child, sick and alone, he was transported while unconscious to a magical, dreamlike world called the Land. Convinced it was all a delusion, Covenant was christened *The Unbeliever* by the Land's inhabitants—but gave his life to save this new-found world he came to regard as precious. Ten years after Covenant's death, Linden Avery still mourns for her beloved companion. But a violent confrontation with Covenant's son, who is doing the evil Lord Foul's bidding, forces her into the Land, where a dark malevolence is about to unmake the laws of nature—and of life and death itself. It is here that she comes upon Esmer, son of the Dancers of the Sea, a creature of strange powers who draws Linden backwards through time to witness Thomas Covenant's return to life, and to reinvent the mysterious, dangerous, and violent history of the Land.

The Lion Led the Way Little, Brown

In ancient Israel, at the crossroads of the great trading routes, a man named Benaiah is searching for a fresh start in life. He has joined a band of soldiers led by a warlord named David, seeking to bury the past that refuses to leave him. Their ragged army is disgruntled and full of reckless men. Some are loyal to David, but others are only with him for the promise of captured wealth. While the ruthless and increasingly mad King Saul marches hopelessly against the powerful Philistines, loyal son Jonathan in tow, the land of the Hebrew tribes has never been more despondent—and more in need of rescue. Over the course of ten days, from snowy mountain passes to sword-wracked battlefields, Benaiah and his fellow mercenaries must call upon every skill they have to survive and establish the throne for David—if they don't kill each other first. *Day of War* brings to life the exploits of the Mighty Men of Israel, a rag-tag band of disgruntled warriors on the run with David, the soon-to-be King. Their legendary deeds are recorded in 2 Samuel 23 and 1 Chronicles 11

The Lion, the Witch and the Wardrobe (full color) Scholastic Inc.

David and the Mighty Men continue to struggle against the Philistines across the dark forests and sun-drenched valleys of Israel, leading to an epic chariot battle on the plains of Philistia. As domestic turmoil begins to encompass the cities, David turns his attention to the capture of the impregnable fortress of Jebus to establish a new capital, and the Mighty Men must rely upon the mysterious supernatural power known as "the covering" in order to complete the task.

Recalling the Covenant CCEL

"The Thomas Covenant saga . . . will certainly find a place on the small list of true classics in its specialized field." —The Washington Post Book World After scant days in his "real" world, Thomas Covenant finds himself again summoned to the Land. There, forty bitter years have passed, while Lord Foul, immortal

enemy of the Land, moves to fulfill his prophecy of doom. The Council of Lords find their spells useless, now that Foul the Despiser holds the Illearth Stone, ancient source of evil power. At last High Lord Elena turns in desperation to Covenant and the legendary white gold magic of his ring. . . .
