Tracey Garvis Graves—and Anna and T.J.—return in this companion novella to the New York Times

bestseller *On the Island*. When twenty-three-year-old dot-com millionaire Owen Sparks walked away from his charmed life, he had one goal in mind: get as far away as possible from the people who resented his success, or had their hand out for a piece of it. A remote uncharted island halfway around the world seemed like a perfectly logical place to get away from it all. Calia Reed wasn't part of Owen's plans. The beautiful British girl—on

holiday in the Maldives with her brother, James—made Owen wonder if getting away from it all might be a lot more enjoyable with a carefree girl who didn't know anything about the life he left behind. But Owen had no idea how much his carefully detailed plans would go awry. Nor did he realize that a decision he made would have such a catastrophic effect on two passengers who boarded a plane in Chicago. And when Owen shows up

at Anna and T.J.'s door with an incredible story to tell, everyone involved will learn just how much their lives are intertwined. *Uncharted* includes an early look at *Covet*, coming September 2013 *Heart-Shaped Hack* Ballantine Books "Fresh, surprising, and compulsively readable."--New York Times bestselling author Andrea Bartz A psychic on the verge of stardom who isn't sure she believes in herself and a cynical journalist with one last chance at redemption are brought together by secrets from the past that also threaten to tear them apart. Psychic-medium Sylvie Young starts every show with her origin story, telling the audience how she discovered her abilities. But she leaves out a lot—the plane crash that killed her parents, an estranged adoptive family who tend orchards in rainy Oregon, panic attacks, and the fact that her agent insists she research some clients to ensure success. After a catastrophic reporting error, Thomas Holmes's next story at the L.A. Times may be his last, but he's got a great personal pitch. "Grief vampires" like Sylvie who prey upon the loved ones of the

deceased have bankrupted his mother. He's dead set on using his last-chance article to expose Sylvie as a conniving fraud and resurrect his career. When Sylvie and Thomas collide, a game of cat and mouse ensues, but the secrets they're keeping from each other are nothing compared to the mysteries and lies they unearth about Sylvie's past. Searching for the truth might destroy them both—but it's the only way to find out what's real.
