“ No. No. ”

Chernov shook his

head violently.

“ Created to be natural. The inability to conceive was coded into the Breed genetics.

The records of how they did this were lost so future generations could not undo it. My grandfather and several others learned the secret with the Coyote Breeds. They managed

to take this unnatural coding out.

The healing process was exhausting for Coyotes, even more so than other Breeds. As she turned into the alpha's section of the base, she nodded at the security team she'd put in

place. They were Del-Rey's pack members and, she knew, more loyal to him alone than the others would be.

*Coyote's Mate: A Novel of the Breeds: Book 18: Leigh, Lora ...*

What was one of the most memorable moments of Coyote's Mate? The most memorable was the end. A Breed finally recognized the worth of his mate and went on his knees for her. I get that the Breeds are dominant, but it gets boring time after time how they show their dominance. What aspect of Brianna Bronte's performance would

you have changed?

Breeds 18 Lora

Leigh

The stories

repetative, with the

same old angst etc.

However, this story

of Anya and her

Coyote Mate, Del-

Rey breathes fresh

new life into the

story lines.. We've

learned a lot about

the Feline

(lion/tiger) and Wolf

breeds in the

previous books. In

this story its the

Coyote, who were

bread to be ruthless

killing machines.
